20th ISPE International Conference on Concurrent Engineering C. Bil, J. Mo, J. Stjepandić, 2013-09-12. As a concept, Concurrent Engineering (CE) initiates processes with the goal of improving product quality, production efficiency, and overall customer satisfaction. Services are becoming increasingly important to the economy, with more than 60% of the GDP in Japan, the USA, Germany, and Russia deriving from service-based activities. The definition of a product has evolved from the manufacturing and supplying of goods only to providing goods with added value to eventually promoting a complete service business solution with support from introduction into service and from operations to decommissioning. This book presents the proceedings of the 20th ISPE International Conference on Concurrent Engineering held in Melbourne, Australia, in September 2013. The conference had as its theme Product and Service Engineering in a Dynamic World, and the papers explore research results, new concepts, and insights covering a number of topics including service engineering, cloud computing, and digital manufacturing, knowledge-based engineering, and sustainability in concurrent engineering.

Voice of the Leopard African Secret Societies and Cuba Ivor L Miller shows how African migrants and their political fraternities played a formative role in the history of Cuba During the eighteenth and nineteenth centuries no large kingdoms controlled Nigeria and Cameroon s multilingual Cross River basin Instead each settlement had its own lodge of the initiation society called kp or leopard which was the highest indigenous authority kp lodges ruled local communities while also managing regional and long distance trade Cross River Africans enslaved and forcibly brought to colonial Cuba reorganized their kp clubs covertly in Havana and Matanzas into a mutual aid society called Abaku which became foundational to Cuba s urban life and music Miller s extensive fieldwork in Cuba and West Africa documents ritual languages and practices that survived the Middle Passage and evolved into a unifying charter for transplanted slaves and their successors To gain deeper understanding of the material Miller underwent kp initiation rites in Nigeria after ten years collaboration with Abaku initiates in Cuba and the United States He argues that Cuban music art and even politics rely on complexities of these African inspired codes of conduct and leadership Voice of the Leopard is an unprecedented tracing of an African title society to its Caribbean incarnation which has deeply influenced Cuba s creative energy and popular consciousness Billboard ,2010-01-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
