Bansak, 2003-10-09 Cat People 1942 and I Walked with a Zombie 1943 established Val Lewton's hauntingly graceful style where suggestion was often used in place of explicit violence His stylish B thrillers were imitated by a generation of filmmakers such as Richard Wallace William Castle and even Walt Disney in his animated Adventures of Ichabod and Mr Toad 1949 Through interviews with many of Lewton's associates including his wife and son and extensive research his life and output are thoroughly examined **The Year 2000** Charles B. Strozier, Michael Flynn, 1997-08 A fascinating collection of predictions for the end times in the year 2000 The Year 2000 is at hand The end of the millennium means many things to many people but it has significance for almost everyone A thousand years ago monks stopped copying manuscripts and religious building projects came to a halt as panic swept Europe Today anxiety about global warming government power superviruses even recycling is on some level rooted in the fear of irreversible cataclysm In a landscape shadowed by racial conflict technological upheaval AIDS and nuclear weapons we reasonably fear the end of history 2000 looms large in our religious political and cultural imagination But while 2000 brings dread it also raises the prospect of transformation There is hope to be found in the apocalyptic This panoramic volume explores how the Year 2000 operates in contemporary political discourse from Black evangelical politics to radical right wing rhetoric One section is devoted specifically to apocalyptic violence analyzing twentieth century cults and cultural movements from David Koresh who renamed his Waco compound Ranch Apocalypse and perished in a modern day Armageddon that fueled the millennialist angst of other extremist groups to environmental campaigns like Earth First that also rely on the language of violence and imminent doom in their greening of the Apocalypse **Wait Until Dark** Frederick Knott, 1967 Notting Hill Gate London A sinister con man and two ex convicts are about to meet their match They have traced the location

Star Peter Biskind, 2010-01-12 In this compulsively readable and constantly surprising book Peter Biskind the author of the film classics *Easy Riders Raging Bulls* and *Down and Dirty Pictures* writes the most intimate revealing and balanced biography ever of Hollywood legend Warren Beatty Famously a playboy Beatty has also been one of the most ambitious and successful stars in Hollywood Several Beatty films have passed the test of time from *Bonnie and Clyde* which confirmed for him the importance of controlling the projects he was involved in to *Shampoo* *Heaven Can Wait* *Reds* for which he won the best director Oscar *Bugsy* and *Bulworth* Few filmgoers realize that along with Orson Welles Beatty is the only person ever nominated for four Academy Awards for a single film and unlike Welles Beatty did it twice with *Heaven Can Wait* and *Reds* Biskind shows how Beatty used star power commercial success savvy and charm to bend Hollywood moguls to his will establishing an unprecedented level of independence while still working within the studio system Beatty's private life has been the subject of gossip for decades and *Star* confirms his status as Hollywood's leading man in the bedroom describing his affairs with Joan Collins Natalie Wood Leslie Caron Julie Christie Michelle Phillips Diane Keaton and Madonna among many others Throughout his career Beatty has demonstrated a fascination for politics He was influential in the 1984 and 1988 presidential campaigns of Gary Hart It was said of Hart and Beatty that each wanted to be the other and Biskind shows that there was considerable truth in that wry observation As recently as a few years ago Beatty was speaking out about California politics and contemplating a run for governor Biskind explains how Beatty exercised unique control often hiring screenwriters out of his own pocket and frequently collaborating with them producing directing and acting in his own films becoming an auteur before anyone in Hollywood knew what the word meant He was arguably one of the most successful and creative figures in Hollywood during the second half of the twentieth century and in this fascinating biography Warren Beatty comes to life complete with excesses and achievements as never before The Best Plays of 1965-1966, 1966
