Against the Tide Carl Herbster, Randy Hurst, 2011-09 Young people are surrounded by media militantly attacking biblical virtue and values The goal of Christian education is still to present every man perfect in Christ but postmodernism declares that there is no one right way to live In the midst of this conflict many Christian school leaders are surrendering lowering their expectations in order to bring in more students tolerating an atmosphere which works against the basic purpose for which the schools were founded Against the Tide calls the Christian education movement back to its mission The ideas offered in this book are thoroughly practical The authors have effectively implemented these principles in their Christian schools More important these ideas are thoroughly biblical in their understanding of the role of Christian education and in particular of the Christian school in helping parents to develop Christlike character in young people

Brown, 2015-03-18 This book addresses various issues often faced by believers in doing daily life with Jesus It lays the groundwork for healthy spiritual and relational growth providing believers with keys for a victorious walk in their Christian life It is the fruit of many years spent by the author in pastoral and teaching ministry and is a useful resource for both believers and leaders From Condemnation to Redemption Barbara Amajoyi, 2023-02-09 *From Condemnation to Redemption* was imagined one beautiful morning while sharing the Word on Periscope TV The Holy Spirit quickened me to put some of the things I was sharing in writing Right after the end of the Bible study on this day my son called me and said Mom I hope you are putting this in writing The Holy Spirit immediately gave me the title of the book Jesus Christ came to redeem us from condemnation to redemption We were condemned when we fell short of God's glory due to sin But God so loved the world that he gave his only begotten son that whosoever believes in him will not perish but have eternal life John 3:16 This book reveals the plan of God for humanity as said in Genesis 1:26 Man fell short of that plan due to sin Jesus came to redeem man from sin and put us back into the right place with God the place of dominion authority and righteousness *Prevailing Over the Bulls of Bashan Part One* Riaan Engelbrecht, 2024-07-10 Several years ago the Lord spoke clearly in my spirit about the intense season the Church is about to face At the time I understood this will not be a short season but might very well run until He comes In this time we are trusting in the Lord for the end-time revival but make no mistake times are going to be brutal for those who follow God As a confirmation of this reality God in 2024 spoke of the bulls of Bashan As I sought the Lord on this truth I became acutely aware of the incredible dangers that await those who wish to stand with God In Psalm 22:12 David in his distress laments Many bulls surround me strong bulls of Bashan encircle me The picture of being surrounded by angry bulls intent on goring and trampling their victim is fearful indeed Trouble was near and there was no one to help him Psalm 22:11

Despite these fearsome circumstances David knew that God was not far off God could deliver David's soul from these threats God is raising an end time remnant for a time such as this They obey God and not man They fear not the devil They listen to God follow His truth and seek His will They dismiss the devil's lies and choose to stand with the Light as darkness continues to intensify upon the earth Yes they shall overcome the bulls of Bashan demonic and worldly threats and dangers This end time remnant is facing extreme attack and I believe more than ever since the resurrection of Jesus Ultimately if we as children of God want to survive the bulls of Bashan the spiritual and the physical giants we need to abide in the Lord We need to remain connected to the Vine John 15 We need to become true disciples grow up in the Spirit and grow in God's wisdom truth and knowledge If we are not grounded in the Lord we will be swept away by the storms and be gorged by the bulls After all these bulls are waiting for an opportunity to strike It is critical to remain connected to God for then we are connected to life hope vision joy and life

The Imitation of Saint Paul Jim Reapsome, 2013-08-07 The Imitation of Saint Paul takes us behind the headlines of his career and offers a fresh compelling contemporary look at the man who changed the world When the exemplary apostle got into the face of his converts he bluntly held up his own life as the pattern for theirs How risky is that The purpose of this readable work with a modern twist is to discover how Paul viewed his divine commission and how he managed to survive incredible obstacles and hardships that threatened to undo him What elements in the apostle's life made him the man he was How does his life become the format of ours What changes can we make to follow in his footsteps This work serves as both an introduction to the apostle for those new to the Christian faith and as a healthy reminder for those who want to go deeper in their obedience to and service for Christ

This beautiful letter tells Christians of their great riches, inheritance, and fullness in Jesus Christ and in His church. It unfolds for them the infinite blessings they possess in Christ and how they can claim and enjoy those possessions. Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical. **Paul's Charismatic Imperatives** Robby J. Kagarise, 2019-05-21 Do not quench the Spirit. Strive for spiritual gifts. Walk in the Spirit. In these imperatives all from the hand of Paul, the apostle regards the success of the Spirit's work as dependent on human cooperation. Does Paul's linking of divine power with human agency derive from the influences of his religious background, or is it a product of his own experience and thought? How does Paul think of the interrelation between Spirit and human agency? As the author answers these questions, we are given an illuminating view both of the path along which Paul thinks the Spirit draws believers and of the nature of the Spirit's activity that Paul expects believers to embrace. This book will be welcomed by scholars and students working in the field of Pauline pneumatology and both scholarly and lay readers interested in the implications of Pauline pneumatology for Pentecostal Renewal theology and practice. *Seize the Day with Yahweh* Jim Harvey, Val Harvey, 2015-11-03 God wants you to know His name and what this sacred name means for you every day.
