Jackson, Mark I. West, 2014-12-03 Walt Disney best known as a filmmaker had perhaps a greater skill as a reader While many would have regarded Felix Salten's Bambi and Carlo Collodi's Pinocchio as too somber for family oriented films he saw their possibilities He appealed to his audience by selecting but then transforming familiar stories Many of the tales he chose to adapt to film became some of the most read books in America Although much published research has addressed his adaptation process often criticizing his films for being too saccharine or not true to their literary sources little has been written on him as a reader what he read what he liked his reading experiences and the books that influenced him This collection of 15 fresh essays and one classic addresses Disney as a reader and shows how his responses to literature fueled his success Essays discuss the books he read the ones he adapted to film and the ways in which he demonstrated his narrative ability Exploring his literary connections to films nature documentaries theme park creations and overall creative vision the contributors provide insight into Walt Disney's relationships with authors his animation staff and his audience

Mary Poppins, She Wrote Valerie Lawson, 2013-12-03 THE ONLY TRUE STORY BEHIND THE CREATOR OF MARY POPPINS The remarkable life of P L Travers the creator of Mary Poppins perfect for fans of the movie Mary Poppins Returns and the original Disney classic An arresting life Lawson is superb at excavating the details Library Journal The spellbinding stories of Mary Poppins the quintessentially English and utterly magical nanny have been loved by generations She flew into the lives of the unsuspecting Banks family in a children's book that was instantly hailed as a classic then became a household name when Julie Andrews stepped into the title role in Walt Disney's hugely successful and equally classic film But the Mary Poppins in the stories was not the cheery film character She was tart and sharp plain and vain She was a remarkable character The story of Mary Poppins creator as this definitive biography reveals is equally remarkable The fabulous English nanny was actually conceived by an Australian Pamela Lyndon Travers who came to London in 1924 from Queensland as a journalist She became involved with Theosophy traveled in the literary circles of W B Yeats and T S Eliot and became a disciple of the famed spiritual guru Gurdjieff She famously clashed with Walt Disney over the adaptation of the Mary Poppins books into film Travers whom Disney accused of vanity for thinking you know more about Mary Poppins than I do was as tart

and opinionated as Julie Andrews's big screen Mary Poppins was cheery Yet it was a love of mysticism and magic that shaped Travers's life as well as the character of Mary Poppins The clipped strict and ultimately mysterious nanny who emerged from her pen was the creation of someone who remained inscrutable and enigmatic to the end of her ninety six years Valerie Lawson's illuminating biography provides the first full look whose personal journey is as intriguing as her beloved characters
