**Exploring Vancouver** Harold Kalman,Robin Ward,2012-04-27 Vancouver s streetscapes and neighbourhoods have changed drastically in recent years New buildings representing current architectural trends are mixing with and often replacing those of earlier eras and tastes and a maturing architectural melange is emerging This book invites

the reader to explore the city's continually evolving urban landscape in a highly readable yet authoritative guide to its architecture. In this completely updated edition of *Exploring Vancouver* with brand new entries and accompanying photographs Harold Kalman and Robin Ward have divided the city including the North Shore, Richmond, Burnaby and New Westminster into fourteen areas selecting buildings and structures in these neighbourhoods that represent the best examples of the new and old architecture. Each area is preceded by an informative introduction that provides historical context for the entries that follow. There are over 400 entries each featuring a short description that combines architectural, historical and social commentary. The prose is lively as the authors consider the new and the old, the modest and the grand, the attractive and the not so attractive in a wide ranging work that encompasses everything from heritage to monster homes. This book is designed as a walking tour guide with a map of each area showing the location of every entry. ***Vancouver & Beyond*** Fred Thirkell, 2000. An anthology of 50 stories about Vancouver and environs in the early years of the 20th century. These stories grew out of a collection of picture postcards not just any old postcards but particularly appealing real photo cards that seemed to be waiting to have their stories told. While some of the images are not uncommon, most of the pictures are rare if not one of a kind survivors of the golden age of postcards which encompassed the years between 1900 and 1914, the relatively short period of time when Vancouver ended its days as a frontier town and became a significant Canadian city.

***Lonely Planet Vancouver & Victoria*** John Lee, Brendan Sainsbury, 2022-10. Lonely Planet's Vancouver is in every traveler's hands. It's on mobile phones. It's on the Internet. It's everywhere and it's telling entire generations of people how to travel the world. Fairfax Media Australia. ***The Mercantile Navy List and Maritime Directory*** Great Britain. General Register and Record Office of Shipping and Seamen, 1928. ***Ethno-Cultural Groups and Visible Minorities in Canadian Politics*** Kathy Megyeri, 1996-08-08. The studies in this volume examine the nature and extent of their participation in Canadian politics in both political parties and the House of Commons. While these groups feel marginalized, they believe strongly in the objectives of democracy and want to participate in a Canada that realizes those ideals more successfully.

***Paddling Through History*** Aileen Stalker, Andrew Nolan, 2005. Experience inner city paddling with a guide that tells the story of Vancouver and Victoria from water level. Explore history with the tales behind the people, bridges, lighthouses, museums and watercraft you will see as you explore these waterways. *Paddling Through History* explains place names, geology and other highlights and is illustrated with maps and photos. ***The Triumph of Citizenship*** Patricia E. Roy, 2011-11-01. In this companion volume to *A White Man's Province* and *The Oriental Question*, Patricia E. Roy examines the climax of antipathy to Asians in Canada: the removal of all Japanese Canadians from the BC coast in 1942. Their free return was not allowed until 1949. Yet the war also brought increased respect for Chinese Canadians: they were enfranchised in 1947 and the federal government softened its ban on Chinese immigration. *The Triumph of Citizenship* explains why Canada ignored the rights of Japanese Canadians and placed strict limits on Chinese immigration. In response, Japanese Canadians

and their supporters in the human rights movement managed to halt repatriation to Japan and Chinese Canadians successfully lobbied for the same rights as other Canadians to sponsor immigrants The final triumph of citizenship came in 1967 when immigration regulations were overhauled and the last remnants of discrimination removed The Triumph of Citizenship reminds all Canadians of the values and limits of their citizenship students of political history and of ethnic relations in particular will find this book compelling *Vancouver Past: Essays in Social History* Robert A. J. McDonald, Jean Barman, 1986-01-01 Focusing on Vancouver's social history the essays written for this special edition of BC Studies treat hitherto neglected areas of the city's past and bring new insights into how its residents lived and worked Receiving particular attention is the socio economic and residential structure of Vancouver with one author arguing that the city's economy created an urban working class which was at once more complex and politically more conservative than that of the highly polarized communities on Vancouver Island and in the Interior Brilliant!
