Impact of Poor Reading Culture

Among Senior High School Students in Nsoatre Abdulai Seidu, Marciana Tuornfiribo, 2025-04-09 Master's Thesis from the year 2025 in the subject Didactics for the subject English Grammar Style Working Technique grade 2 course Grammar language English abstract The Purpose of this study was to investigate the impact of poor reading culture among students of Sacred Heart Senior High School in Nsoatre Brong Ahafo Region Qualitative method was employed to collect data for the study The purposive sampling technique was used to select sixty 60 participants consisting of fifty students five teachers and five parents The instruments used to collect data for the study were made of unstructured questionnaire items observation interviews and focused group discussion Findings of the study revealed that in Sacred Heart Senior High School students poor reading culture leads them to perform poorly academically and is the reason why students indulge in examination malpractices It also revealed that modernity has taken away students reading life Based on the findings it was recommended that reading should be associated with pleasure and libraries be stocked with modernised and interesting reading materials Additionally students should be motivated to read by going on excursions to well established libraries and book exhibition centres Finally it was recommended that teachers use attractive teaching learning materials as well as learner centred approaches to teach reading and stakeholders should sell the noble idea of developing good reading culture Keywords

Reading approaches focused group discussions interviews qualitative method **West Africa**, 2002 **Assessment in Geographical Education: An International Perspective** Theresa Bourke, Reece Mills, Rod Lane, 2022-02-27 In recent years there has been increased attention paid to the importance of assessment in Geographical Education the chosen subject for this book Assessment is an important tool for collecting information about student learning and for providing timely data to inform key stakeholders including students teachers parents and policymakers To be effective assessment needs to be valid reliable and fair Validity is about ensuring that we assess what we claim we are assessing Reliability is about measuring performance and understanding in a consistent way Without validity and reliability assessment is unlikely to provide equitable opportunities for students to demonstrate what they know and can do As geography educators it is therefore important that we identify the core concepts and skills in geography that we want students to master We need a clear understanding of what the progression of learning looks like for each concept and skill so we can develop fit for purpose assessments that track and improve student learning While there is a substantial literature on evidence based assessment in secondary school contexts research exploring best practice assessment in geography is rare This is a concern given the distinctive nature of geography and the important role of assessment in the learning process This scholarly collection seeks to address this issue by connecting research in educational assessment with the domain of geography The chapters are written by leading researchers in Geographical Education from across the globe These chapters provide examples of innovation through the collective voices of geography teacher educator scholars from across Australia USA South Korea Germany Switzerland and Singapore What unifies the work in this book is that each chapter focuses on a key feature of the

discipline of geography providing scholarly examples of evidence based practices for assessing student s knowledge and skills **Junior Graphic** Mavis Kitcher (Mrs),2014-12-03 *Academic Excellence in 21 Days* Eric Nwachukwu,2015-12-21

This book is for students who want to excel academically The guideposts and principles contained in this book will show you why and how you will become a high flying student I managed the local library of Our Lady of Fatima Cathedral Catholic Church Kano for over four years as an unqualified librarian and I see different students preparing for different exams in a mediocre way What is most shocking here is that most of these students are mediocre students due to the fact that they lack the right approach to learning studying and preparations required for academic excellence rather than the mere exertion of studies The principles in this book are no respecter of persons age gender race background or your location The results are the same to whoever would apply them It contains the distilled essence of all that you need to know and do in your academic journey to excellence This 21 Days course has SIX stages Each Days message material is divided into different sub sections dealing with one central topic literally and in a juxtapositions context Consequently the reader is allowed to exercise his her power of association and observation of ideas presented in connection to the other sub sections and signposts illustrated in the book with the application exercises **Education Sector Reform in Nigeria** David Nwoye Ezech,Nkadi Onyegegbu,2008 **The Parliamentarian** ,2015 The London Corn Circular ,1943 **Outside the Gold Circle** Emmanuel Okom,2015-04-13

Expectations from home run high for Lucky All the extended family resources have been spent on his university education with the hope that he will take over the family responsibilities when he gets a good job But a good job in the Peoples Republic is a pipe dream for graduates from many families like Luckys who have nobody in government He is outside the gold circle He must penetrate it or forever be a failure I marvel at the authors brilliant power of succinct articulation and enticing narration I can see an Achebe in the making It is a handy recipe for deliberate scholarship Alh Muhammad Saba A beautiful painting in words of the dismal job situation in the country The author has succeeded in making a case for the many Luckys out there who are outside the gold circle with the hope that the authorities will do something about it Theresa Ohaegbulem A revelation of the damages done to millions of families in this country due to unfairness in the job selection process The author surely deserves an award for this wonderful work Emmanuel Ishiekwen 13+ Exam Papers Cd Pack (Summer Term 2015) Iseb, Iseb,2015-06-05
