## **Walking Through Shadows English Edition:**

**Walking Through Shadows** Sheri Lewis Wohl, 2017-09-12 Molly Williams is a powerful hereditary witch who manages to keep her powers under control as she tries to be normal. Most of the time it works. An invitation from friends Winnie and Angus is just the diversion she needs right now and she jumps at the offer to go backpacking along the Umatilla River in northeast Oregon. When a freak storm forces them to take shelter in a secluded crumbling cabin, their trip takes an unexpected turn. The moment Molly touches a leather bound book discovered in the floorboards, they're transported back in time. Only with the help of the mysterious and beautiful Native American woman Aquene do they stay one step ahead of a band of witch hunters. Will Molly find the right magic to get them home before the hunters find her? Or will she risk it all to stay at Aquene's side.

*A Walk Through the Valley of the Shadow of Death* AWESOME, 2015-05-30 This is about a story of a child who comes from a dysfunctional family. His discipline was so extreme and with no real help even from the God, this kid depended on. So with that being the issue, in order for this child to find peace and safety for his own life, he took to the streets. This child had no idea that the streets were filled with snakes and rats. He was living as if he was burning his own self at the stake; you guessed it was a self-sacrifice if you would call it. In this book, you will find this child in numerous occasions where you might wish you were there to give him some help. But the whole time, this child has recognized a force that was present with him but yet unseen. Through the chapters of this book, you may find some inserts of theological attempts to explain some of the phenomenal events. However, it was done with the greatest attempts not to be religiously hypocritical. The story into this kid's life will take you to places and reveal some truths often not spoken of about what goes on behind the wall in juvenile incarceration. The mind of the streets and the betrayal of friends or so-called friends. It also sheds light on how being free regardless of the situation can be peaceful to some. Last but not least, you'll get to take a novice look at life beyond the veil of what is seen and spoken of by many. All the lies told by the media and other false idea of things that some only assume and have no real facts or life experience to prove it.

*Year of Promise* Rudolph Moseley Jr., 2012-12-29 The Book Year of Promise is a collection of the many precious promises that are found in the Word of God. This book is comprised of 365 promises in 7 of the most popular translations of the Bible. These translations help in the acquiring the full magnitude and depth of each promise. This is a valuable collection of promises that will strengthen the walk of any believer. My prayer is that as you read and meditate on the Word of God, your faith will grow.

*Threshold of Perception* Solitaire Parke, 2012-03-30 This work constitutes the second volume of the trilogy entitled *The Larger World*. As such, the bulk of the information is a more in-depth look at the subject matter found within the first book, *Beyond the Astral Planes*. The application, control, enlightenment, and explanation of the Alternate States of Reality, as well as the dangers and possibilities, are topics that are included. These and other compelling issues are further expounded upon by showing the associations between the scientific and the philosophical aspects of both. Also covered are the theological overtones that are so important within the previously
