Liberator Alex Kershaw,2012-11-01 _____ The true story behind the hit NETFLIX drama From the invasion of Italy to the gates of Dachau no World War II infantry unit in Europe saw more action or endured worse than the one commanded by Felix Sparks The US Army 157th regiment known as the Thunderbirds drew many of its men from more than fifty different Native American tribes mixed in with Mexican Americans and men more used to herding cattle in the American southwest Felix Sparks tasked with leading the diverse regiment regarded by generals as one of the US s finest fighting forces was a maverick officer and the only man to survive his company s wartime odyssey from bitter beginning to victorious end Here his remarkable true story is told for the first time along with those of the men who bravely fought alongside him

_____ Exceptional The Liberator balances evocative prose with attention to detail and is a worthy addition to vibrant classics of small unit history like Stephen Ambrose s Band of Brothers Wall Street Journal A revealing portrait of a man who led by example and suffered a deep emotional wound with the loss of each soldier under his command The Liberator is a worthwhile and fast paced examination of a dedicated officer navigating and somehow surviving World War II

Washington Post A history of the American war experience in miniature from the hard charging enthusiasm of the initial landings to the clear eyed horror of the liberation of the concentration camps The Daily Beast Kershaw has ensured that individuals and entire battles that might have been lost to history or overshadowed by more important people and events have their own place in the vast protean tale of World War II Where Kershaw succeeds and where The Liberator is at its most riveting and satisfying is in its delineation of Felix Sparks as a good man that other men would follow into Hell and in its unblinking matter of fact description in battle after battle of just how gruesome terrifying and dehumanizing that Hell could be Time
