# Sports Scholarship Application Letter

**November 27, 2056**

Scholarship Committee  
Global Sports Foundation  
7890 Sports Complex Road  
Elite City, XY 55234

**Dear Scholarship Committee Members,**

I am writing to apply for the Global Sports Scholarship, a vital resource that will support my aspirations to become a professional athlete while excelling academically. As a dedicated track and field athlete at Metroville High School, I have poured my heart into my sport, constantly pushing the boundaries of my physical and mental endurance. This scholarship would enable me to continue to grow both in athletics and in my academic pursuits at the collegiate level.

Over the years, I have competed in various track and field events, focusing on the 400m and 800m distances, and I am proud to have ranked in the top five at the National Junior Track Championships for two consecutive years. My dedication to improving my performance is evident through my rigorous training schedule, which I balance with my academic commitments.

*Family Contexts* Jennifer A. Fredricks, 1999      Political Legitimacy in Middle Africa Michael G. Schatzberg, 2001-11-13  
refreshing and provocative a significant addition to existing literature on African politics Stephen Ellis It opens up a whole  
new field of investigation and brings into focus the pertinence of an interdisciplinary approach to African politics Ren  
Lemarchand In this innovative work Michael G Schatzberg reads metaphors found in the popular press as indicators of the  
way Africans come to understand their political universe Examining daily newspapers popular literature and political and  
church documents from across middle Africa Schatzberg finds that widespread and deeply ingrained views of government  
and its relationship to its citizenry may be understood as a projection of the metaphor of an idealized extended family onto  
the formal political sphere Schatzberg s careful observations and sensitive interpretations uncover the moral and social  
factors that shape the African political universe while showing how some African understandings of politics and political  
power may hamper or promote the development of Western style democracy Political Legitimacy in Middle Africa looks  
closely at elements of African moral and political thought and offers a nuanced assessment of whether democracy might  
flourish were it to be established on middle African terms      Congressional Record United States. Congress, 1999
