pressure to switch to softball and eventual acceptance by their baseball teammates as they prove themselves as ballplayers. These racially, culturally, and economically diverse players from across the country have ignored the message that their love of the national pastime is wrong. Their stories come alive as they recount their battles and most memorable moments playing baseball, the joys of exceeding expectations and the pleasure of honing baseball skills and talent despite the lack of support. With exclusive interviews with players, coaches, and administrators, *A Game of Their Own* celebrates the U.S. Women's National Team and the excellence of its remarkable players. In response to the jeer "No girls allowed," these are powerful stories of optimism, feistiness, and staying true to oneself.

The industry's longest running publication for baseball analysts and fantasy leaguers, Ron Shandler's *Baseball Forecaster* published annually since 1986 is the first book to approach prognostication by breaking performance down into its component parts. Rather than predicting batting average, for instance, this resource looks at the elements of skill that make up any given batter's ability to distinguish between balls and strikes, his propensity to make contact with the ball, and what happens when he makes contact. Reverse engineering those skills back into batting average, the result is an unparalleled forecast of baseball abilities and trends for the upcoming season and beyond.
