## History

Softball evolved around the turn of the 20<sup>th</sup> century as an adaptation of baseball. In its early days, it was called "Kitten Ball" and "Ladies Ball".

## The Game

The batting side (offense) attempts to score runs by making a circuit of four bases while the fielding team (defense) attempts to dismiss them. The major differences are that softball is played by men and women, the field of play is smaller, the ball is larger, the game lasts only seven innings, pitching is underhand, and players may not steal step off the base while pitcher has the ball in hand. As in baseball, the visiting team bats first, the home team takes the field, there are 3 outs each at bat, and 9 fielding positions. Indiana high school girls play fast pitch (9 players).

A variation of softball is slow-pitch softball. This game is generally a more active one because the ball must be pitched more slowly and with an arch, the ball is hit much more frequently, in slow-pitch softball, teams have 10 players. The extra player is called a short fielder. Bunting and stealing bases are not permitted in slow pitch.

## Field and Player Position

Infielders = Pitcher, catcher, 1<sup>st</sup> baseman, 2<sup>nd</sup> baseman, 3<sup>rd</sup> baseman, and shortstop.

Outfielders = Right fielder, Left fielder and Center fielder (right and left center in slow pitch)

## Scoring

When a player goes completely around the bases, a run is scored. If the defensive team strikes out a batter, catches a fly ball, throws a batted ball to a base before the batter reaches it, or tags a runner before he/she reaches a base, that player is considered out and does not have the opportunity to score a run.

## Base Running Rules

1. All bases must be touched in order.
2. If two base runners occupy the same base, the last player on the base can be tagged out.
3. The base runner is out if he/she passes another runner.
4. The base runner is out if he/she is hit by a batted ball. All other base runners have to return to the base occupied prior to the pitch, unless forced to the next base.
5. A runner can only overrun 1<sup>st</sup> base and home plate.
