*Authentic* David Sikorra,2021-11-30 Search for the Authentic is an enticing life story about the search for authenticity in self and for the source of the authentic in life It is a riveting telling of meaningful and powerful life experiences leading to the wonderful conclusion of that search leading to and finding that pearl of great value It leads the reader on a trail through deep and dark caverns to great heights and vistas of discovery to meaningful grounding in truth and unexpected joy The journey sometimes humorous but always playfully serious travels the road of adventure and thrilling tales of drama that few will have experienced in their own search for authentic From South American travels working undercover as a DEA special agent to two tours of duty in Burma the enchanted land to tumultuous episodes in Haiti bringing designated drug kingpins to justice finally resulting in the demise of a corrupt president How this all leads to the precious discovery of the authentic will be discovered herein **New York Magazine** ,1990-06-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With

award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Battlestar Galactica and Philosophy* Josef Steiff,Tristan D. Tamplin,2008-06-01 In attempting to retain her human side does Sharon really have free will Is killing a Cylon murder or garbage disposal These are some of the questions addressed in this thoughtful collection of writings on the philosophical underpinnings of Battlestar Galactica The book includes a brief analysis of the original 1970s and 80s series but concentrates primarily on the episodes characters and issues from the entirely reimaged current series including its fourth and final season scheduled for airing in early 2008 as well as the two hour TV movie and direct to DVD release Razor Congressional Record United States.

Carrington,1987-01-01 It was certainly not through the foresight of his senior officers that Charles Carrington a veteran of the First World War was enabled to put his experience in that earlier conflict to good use in the Second as readers of this

remarkable book will soon learn However by great good fortune he found himself in a position where his experience of things past could be adapted to the needs of a virtually untried aspect of warfare that of Army Air Force Co operation As an Army Officer in a world of high ranking Airmen it was his task to walk the tightrope between the two Services in an effort to persuade both parties that neither could win the war without the other and that co operation was preferable to self interest The words prima donna crop up frequently in the story and one is not surprised when the author remarks while we were organising signal exercises and such necessary menial chores at which the Services worked together without a hitch our problem was to get the Great Chiefs to stop quarrelling Although he describes his experiences with cheerful modesty it is clear that this unsung armchair soldier played a vital role in the back room battle that had to be resolved before the war proper could be waged with efficiency Apart from his being privy to much information that remained Top Secret for many years after the war Readers will soon see that his views on some of the Top Brass might have had unpleasant repercussions had they been aired too soon But those who have read his earlier works as well as those who come afresh to the work of this fluent and clear sighted writer will surly agree that the wait has been worthwhile

**Diplomat Among Warriors** Robert Murphy, 2022-06-19 Ever until the end he retired in 1959 a diplomat among warriors this was Bob Murphy's very special role I doubt if any other diplomat has ever had an equivalent one A normal Ambassador is assigned to prevent war or make peace Much of his diplomacy was the diplomacy of war itself He was a devoted first class public servant a worthy companion to the great soldiers he accompanied His memoirs which include a great deal of fascinating new historical material should be widely read C L Sulzberger The New York Times This important diplomatic memoir provides a wealth of rewarding insights and information about recent events in American foreign relations Murphy's lucid and well written volume will be of great aid to the scholar and of absorbing interest to the general reader Daniel M Smith The Journal of Modern History Robert Murphy's autobiography is more than a personal memoir it is in fact a vivid history of our Foreign Service from an understaffed and inefficient bureau to the finest diplomatic instrument in the world It is an important book consistently readable and thoroughly deserving to be every bit as long as it is Kirkus Diplomat Among Warriors gives a substantial account of the author's participation in the execution of American foreign policy over a period of four eventful decades 1917 1958 The narrative is interesting sometimes exciting and it contains many insights much soul searching and even a few revelations particularly for the period after 1940 The incisive characterization of actions actors and the author's experiences is more dramatic and revealing than a systematic history could be Murphy is an unassuming man But modesty cannot disguise the key role he played in some dramatic events of contemporary history Diplomat Among Warriors is a warm human story written with great charm compassion and lucidity It is a useful source for historians and the narrative is fascinating to the general reader Stephen D Kertesz The Review of Politics
