Introduction to Late Modern English Ingrid Tieken-Boon van Ostade,2009-05-12 Some twenty years ago it was widely believed that nothing much happened to the English language since the beginning of the eighteenth century Recent research has shown that this is far from true and this book offers an introduction to a period that forms the tail end of the standardisation process codification and prescription during which important social changes such as the Industrial Revolution are reflected in the language Late Modern English is currently receiving a lot of scholarly attention mainly as a result of new developments in sociohistorical linguistics and corpus linguistics By drawing on such research the present book offers a much fuller account of the language of the period than was previously possible It is designed for students and beginning scholars interested in Late Modern English The volume includes a basis in recent research by which sociolinguistic models are applied to earlier stages of the language 1700 1900 a focus on people as speakers wherever possible and writers of English Research questions aimed at acquiring skills at working with important electronic research tools such as Eighteenth Century Collections Online ECCO the Oxford English Dictionary and the Oxford Dictionary of National Biography Reference to electronically available texts and databases such as Martha Ballard s Diary the Proceedings of the Old Bailey and Mrs Beeton s Book of Household Management **Traveling Auteurs** Luca Caminati,2024-04-30 What tensions characterized the relationships between cinema European Leftists and emerging postcolonial ideologies after World War II In *Traveling Auteurs* author Luca Caminati analyzes the work of influential Italian filmmakers Roberto Rossellini Pier Paolo Pasolini and Michelangelo Antonioni as they engaged politically and aesthetically with the global landscapes and politics of

the Cold War period As documentaries the films considered in this book record specific manifestations of political sensibilities of the twentieth century As bodies of work they reveal that the traveling auteurs who made them were symptomatic actors in complex geopolitical networks As cultural objects reflecting and shaping contemporaneous debates they provoke a complex afterlife at home and abroad In the three chapters dedicated to Rossellini in India Pasolini in Africa and the Middle East and Antonioni in China Caminati pays particular attention both to the reception that these films had in the countries where they were shot and to their legacies in Italian film history As it follows the entanglements of filmmakers artists and activists involved as allies or direct witnesses to momentous political change this book sheds new light on anticolonial struggles the reaffirmation of the Non Aligned Movement and the consolidation of the Chinese Communist Party

Teaching Life Dale Salwak,2008-04 Part epistolary memoir part handbook Teaching Life reflects on more than three decades of teaching literature and touching the lives of students Both a reflection on a life in literature and a primer on teaching as a vocation this soul stirring work also provides behind the scenes stories of many of the authors who have influenced Dale Salwak s career Written in response to the sudden death of one of his students who died tragically in an automobile accident on her way to Salwak s office to talk over her career plans Teaching Life is an effort to impart lessons to the next generation of teachers It was the suddenness of her death I think along with the utter loss of so much potential which struck me forcibly and I found myself wondering if anything I had said in class had made a difference in her too short life or for that matter in the lives of any of my students By turns analytical reflective and exhortatory Teaching Life unselfconsciously captures the fascination enlightenment and sheer joy that literary studies can offer professors and students It also implicitly speaks to society s prevailing and disturbing prejudice against the profession The Joy of Believing
