Paul Di Filippo Locus      **Diamond Star** Catherine Asaro, 2009-05-01 Del was a rock singer He was also the renegade son of the Ruby Dynasty which made his career choice less than respectable and gave him more to worry about than getting gigs and not getting cheated by recording companies club owners or his agent For one thing the Ruby Dynasty ruled the Skolian Imperialate an interstellar Empire which had recently had a war with another empire the Eubian Concord For another Del was singing on Earth which was part of a third interstellar civilization and one which had an uneasy relationship with the Imperialate Del undeniably had talent and was rapidly rising from an unknown fringe artist to stardom But with his life entangled in the politics of three interstellar civilizations whether he wanted that or not talent might not be enough And that factor might have much more effect than his music on the lives of trillions of people on the thousands of inhabited worlds across the galaxy At the publisher's request this title is sold without DRM Digital Rights Management      *Carnelians* Catherine Asaro, 2012-10-30 Multiple Nebula award winning Catherine Asaro continues her brilliant and intricate Skolian space opera opus Two emperors navigate an uneasy peace while a powerful trader guild does everything in its power to bring on war And as if Kelric the Skolian Emperor didn't have enough problems his own brother who happens to be a rock star of galactic proportions has a hit song that calls the traders out as the hidebound blueblood jerks they are and pleads for an end to centuries of war Kelric and his Eubian Trader Empire counterpart Jabriol attempt finally to meet in a public summit and sign a treaty that will save billions of lives and end the grinding millennium long war But assassins lurk everywhere and intrigue is afoot as the baroque old order has no intention of giving up its war bought privilege and power without a fight to the death and they don't care if they take the rest of galactic civilization down with them About Carnelians The ending satisfied a solid and worthwhile entry into the saga it can be read as a standalone novel SF Crowsnest About Catherine Asaro's Skolia saga Entertaining mix of hard SF and romance Publishers Weekly Asaro's Skolian saga is now nearly as long and in many ways as compelling as Dune if not more so featuring a multitude of stronger female characters Booklist Rapid pacing and gripping suspense Publisher's Weekly      **The Ruby Dice** Catherine Asaro, 2008-01-01 Two men two empires Jaibriol ruled the Eubian Concord over two trillion people across more than a thousand worlds and habitats Kelric ruled the Skolian Imperialate War had come before ten years ago Jaibriol had lost his parents in the final battle of the Radiance War between the Concord and the Imperialate and it might come again devastating vast swathes of the galaxy Neither Jaibriol nor Kelric wanted war but neither was complete master of his realm And each hid a secret that if revealed might be his downfall Jaibriol was a secret psion with telepathic abilities and to be a psion in the Eubian Concord was to be a contemptible slave eventually to be tortured for the pleasure of the slave's owner Kelric years ago had disappeared for nearly two decades He had been a prisoner and slave on the planet Coban part of neither empire until he had managed to escape And if the Skolian Imperialate knew of his captivity there would be demands for vengeance ravaging Coban and killing the wife and children Kelric had left behind when he escaped Neither man knew how much longer he could keep his secret nor how much longer they could hold

back the threat of a war that could incinerate hundreds of inhabited worlds      **Diamond Star** Catherine Asaro,2010-06-29  
Space Adventure with a Holo Rock Beat by a Nebula Award Winning Author The Saga of the Skolian Empire Continues First  
Time in Paper back Del Valdoria was an heir of the Ruby Dynasty rulers of the interstellar empire called the Skolian  
Imperialate But he had no interest in being associated with the draconian measures his brothers used to maintain power He  
just wanted to sing holo rock not a respectable activity for a Ruby prince To make things more complicated he was on Earth  
far from home and the Earth government wasn't willing to let such a potential source of information and valuable bargaining  
chip leave And then a major entertainment corporation took an interest in his music Del's mix of unsophisticated innocence  
and sensual wickedness was dynamite Singing as Del Arden he became a major hit almost overnight the hottest thing in holo  
rock And that was a nightmare for the Earth government because it put a spotlight on him inviting the attention of assassins  
kidnappers and who knew what other dangers If anything happened to Del Allied Space Command might as well just walk up  
to Skolian Space Command and say Hey let's have a war Then there was a third interstellar empire the Eubian Concord  
warlike enemy of the Skolian Imperialate His millions of fans on Earth might not know that their idol was a Ruby prince but  
the Concord knew just who he was And certain songs if sung by a son of the Ruby Dynasty might be considered an act of war
