Underground Guide To Portland Or:

Ghost Hunter's Guide to Portland and Oregon Coast Jeff Dwyer, 2015-08-11 Ghosts and spirits abound in western Oregon. The imprints of pioneers, soldiers, prostitutes, and murder victims haunt the places they trod in life, searching for loved ones, reliving joyful times, protecting favorite haunts, and seeking revenge. This guide, history, and comprehensive how-to offers tantalizing information about the lives, deaths, and locales of the Portland area's lingering past. Areas include Central Portland, East Portland communities, Vancouver, and North Portland communities south of Portland and Oregon's coastal communities. The infamous Shanghai Tunnels have long reverberated with the screams of kidnapped victims doomed to a brief life of forced servitude. Lone Fir Cemetery is visited to this day by the spirits of the Chinese laborers, mental asylum inmates, and Civil War veterans who rest there. Thelma Taylor can sometimes be felt in Cathedral Park under the St. John Bridge. Historical hotels still host the spirits of guests who died, sometimes by their own hand. Opera houses and ballrooms tell a happier story; the imprints left by decades of entertainment and energy can be felt even now. These sites and many others are vividly described, and entries include locations and contact information. Informative sections cover what a ghost is, how it can manifest, ideal ghost sighting conditions, and types of imprints. Techniques included are preliminary historical research, physical and mental preparation, and the two primary schools of ghost hunting: the technical and psychic methods. The technical method section covers equipment use and suggestions, and the psychic method section discusses using your intuition and sensitivity to sense phenomena. Helpful appendixes include a sighting report form, suggested readings, videos, and websites, a list of tours and events, and a collection of area museums and historical societies.

Twisted Tour Guide to Portland and Salem: Marques Vickers, 2020-02-06 Avoid The Tourist Herds. What could be more uninspiring than seeing the identical attractions that everyone else has for decades? This Twisted Tour Guide escorts you to the places locals don't want to talk about anymore, the same places people once couldn't stop talking about. Long after the screaming headlines and sensationalism has subsided, these bizarre, infamous, and obscure historical sites remain hidden, awaiting rediscovery. Each visitation site in this guide is accompanied by a story. Many of the narratives defy believability, yet they are true. The profiled cast of characters features saints and sinners, with emphasis towards the latter. Notorious crimes, murders, accidental deaths, suicides, kidnappings, vice, and scandal are captivating human interest tales. The photography from each profile showcases the precise location where each event occurred. The scenes can seem ordinary, weird, and/or sometimes very revealing towards clarifying the background behind events. If you're seeking an alternative to conventional tourism, this Twisted Tourist Guide is ideal. Each directory accommodates the restless traveler and even residents looking for something unique and different.
