Department,2005 *Come To Me* Brian E. Hill,2006-12-31 Let the little children come to me and do not hinder them for the kingdom of God belongs to such as these Luke 18 16 100 Questions Kids Ask with answers from God's Word

Freeman-Smith,2013-01-01 Key questions every kid asks or as a parent questions you hope they ll ask These questions and answers will give parents the tools to understand their children and equip them to answer important queries from their young ones The book will help to lessen the feeling of frustration or fear that they won t know what to say at the right time It will also be a great read together devotional for families Creative Bible Lessons in Genesis Hoon Kim,2009-05-26

Creative Bible Lessons in Genesis follows the work previously done with other studies in the series What makes this volume different is that it is sensitive to the influence of postmodernism on today s culture and values it complements the widespread use of multimedia and is experiential in approach With a desire to be relevant it does not scan Scripture but intends to be scripturally thorough and accurate with an understanding that the power of the studies is ultimately found in the biblical text Because much of what is understood to be truth today is arrived to by subjective interpretation there is a strong but subtle element in the studies that highlights the Imago Dei image of God in man The blueprint of the Trinitarian God in man is perhaps the sturdiest bridge between postmodern experiencisms and ultimate truth and reality In order to emphasize these elements Bible studies include projection games helps and visuals Also many of the studies are highlighted by a participation which attempts to be close to the text account There are small group and large group elements that have been developed with the technologically savvy student in mind Creative Bible Lessons in Genesis follows the lives of various individuals in Genesis In a world where communication is less face to face and more screen to screen family breakdowns are the norm rather than the exception and role models often communicate debatable values an anchor for life can only be found in the God who does not change Human nature can only be satisfactorily understood through the image of God in man and that all behavior desires and actions people take are ultimate acts of worship and desire for God The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform as well as from a subjective emotional experiential platform Fearless Love David L. Scherrer,Linda M. Klepacki,2004 Fearless Love equips designated leaders to expose the lies that our culture tells about sexual choices and gives high school students a solid grounding in what God says about sex Candid lessons provide frank information and answers to the questions teens ask Program culminates in an opportunity for students to pledge their purity and honor God in their sexual choices Features Eight step by step lessons and help leaders tackle delicate topics Supplementary material for groups and provides extras for groups that want to go deeper Rich biblical perspectives Reproducibles for hands on activities and provide valuable information today s youth need Reproducible Parent Pak and equips parents to talk about tough subjects with their kids Up to the minute statistics on Sexually Transmitted Diseases Cross culturally appropriate **Time** Briton Hadden, Henry R.
