

OLD TESTAMENT SERIES

Psychological Biblical Criticism

GENE M. TUCKER, EDITOR

D. Andrew Kille

Psychological Biblical Criticism

Charles L. Aaron

Psychological Biblical Criticism:

Psychological Biblical Criticism D. Andrew Kille, 2001 This volume provides an introduction to psychological interpretations of the Hebrew Bible with the Garden of Eden story as a test case It approaches the text from Freudian Jungian and Developmental psychologies comparing and contrasting the different methods while taking on the hermeneutical issues Ricoeur s work is used to establish criteria for adequate interpretation Genesis 3 presents a fruitful text for psychological interpretation given its importance in Western culture Its themes of sexuality guilt consciousness and alienation are issues of great concern for everyone in our society Kille s aim is to locate psychological criticism within the field of biblical studies and to propose a hermeneutical framework for describing and evaluating psychological approaches The second part is devoted to analysis of different evaluations of Genesis 3 from the three chosen psychological perspectives

Psychological Biblical Criticism D. Andrew Kille, 1997 This volume provides an introduction to psychological interpretations of the Hebrew Bible with the Garden of Eden story as a test case It approaches the text from Freudian Jungian and Developmental psychologies comparing and contrasting the different methods while taking on the hermeneutical issues Ricoeur s work is used to establish criteria for adequate interpretation Genesis 3 presents a fruitful text for psychological interpretation given its importance in Western culture Its themes of sexuality guilt consciousness and alienation are issues of great concern for everyone in our society Kille s aim is to locate psychological criticism within the field of biblical studies and to propose a hermeneutical framework for describing and evaluating psychological approaches The second part is devoted to analysis of different evaluations of Genesis 3 from the three chosen psychological perspectives

Psychological Insight Into the Bible Wayne G. Rollins, D. Andrew Kille, 2007 Foreword by Walter Wink In recent years theologians and biblical scholars have begun to delve into the insights that come from the application of psychology to biblical texts While these methods continue to be useful and popular nowhere have the foundational texts in the field been collected Wayne Rollins and Andrew Kille who have both published and taught widely in the area of psychological biblical criticism have assembled an excellent guide for those interested in this fascinating topic Included in this anthology are articles from across the landscape spanning over one hundred years and including such authors as Franz Delitzsch M Scott Fletcher Max Weber Walter Wink and many other scholars Soul and Psyche Wayne G. Rollins, 1999 The first introduction to the history and method of biblical psychological interpretation **A Cry Instead of Justice** Dereck Daschke, Andrew Kille, D. Andrew Kille, 2010-07-01 **Psychological Hermeneutics for Biblical Themes and Texts** J. Harold Ellens, 2012-05-03 For centuries scholars have been developing ways of studying the bible through exegesis historical critique literary critique form criticism and narrative analysis During the last half century new theoretical approaches have come to the fore Psychological Hermeneutics takes as its starting point the text itself and its context the dynamics of the human document created the person s who authored the text the original audience for which it was intended the subsequent

audiences to which it spoke and the factors that were at play behind in and in front of the text The contributions to this volume examine the growth of Psychological Hermeneutics as a discipline within biblical studies The book is structured in two parts The first assesses the approach taken by Wayne G Rollins one of the pioneers of this field The second provides applications of Rollins approach The result is a book which presents a state of the art survey of the discipline and development of Psychological Hermeneutics over the last thirty years Psychological Hermeneutics for Biblical Themes and Texts: HAROLD J. ELLENS, J. Harold Ellens, 2012-04-26 An assessment of the development and achievements of the field of Psychological Hermeneutics **My Name is Legion** Michael Willett Newheart, 2004 In My Name is Legion Professor Newheart interfaces narrative and psychological criticism with historical perspectives cultural examination and poetic reflection to create this unique book length treatment of the Gerasene demoniac that is described in Mark 5 1 20

Psychology for Christian Ministry Rebecca Nye, Sara Savage, Fraser Watts, 2003-09-02 This introduction to psychology has been devised for those training for and working in the clergy Ideal both as a professional handbook and a textbook it covers social developmental educational occupational and counselling psychology as well as the psychology of religion It carefully considers the processes of personal change and growth central to religion **Jonah's Story, Our Challenge** Karl Möller, 2023-02-28 Jonah's radical and enigmatic nature calls for deeper exploration and engagement Given its brevity it is also an ideal text for multiple readings from a range of perspectives that complement build upon or challenge and critique each other In Jonah's Story Our Challenge each chapter brings a different hermeneutical tool to the text to demonstrate the wealth of fresh readings and new vistas which can open up and the rich resources for ministry which can come from these multiple readings Reconceptualising Conversion Zeba A. Crook, 2012-08-09 Die Studie nimmt die bisherige Diskussion der Konversion in der Antike neu auf durch eine Verknüpfung von klassischen epigraphischen und biblischen Quellen mit einer sozialwissenschaftlichen Methodologie Der Autor hinterfragt dabei die bisher vorausgesetzte psychologische Kontinuität zwischen antiken und modernen Menschen und bietet statt dessen ein Modell welches an den Denkvoraussetzungen der Antike selbst gebildet wurde Die griechisch römischen und mediterranen Religionen und Philosophien also auch das hellenistische Judentum und das Christentum orientierten sich an den Modellen von Patronat und Loyalität Das Verständnis der antiken Konversion muss also hier ansetzen In diesem Zusammenhang wird auch die Bekehrung des Paulus neu gedeutet

Hearing Visions and Seeing Voices Gerrit Glas, Moshe Halevi Spero, Peter J. Verhagen, Herman M. van Praag, 2007-09-09 This book's aim is to enrich and deepen our psychological understanding of biblical concepts and personalities The book contains masterful analysis of biblical personalities such as Job Jeremiah Paul and Jesus It may help theologians to contextualize their discipline by bringing it into contact with contemporary psychological and existential issues and tensions both at an individual and a societal level **New Meanings for Ancient Texts** Steven L. McKenzie, John Kaltner, 2013-01-01 As newer approaches to biblical criticism become more established and influential it is essential that

students and other serious readers of the Bible be exposed to them and become familiar with them That is the main impetus behind the present volume which is offered as a textbook for those who wish to go further than the approaches covered in *To Each Its Own Meaning* by exploring more recent or experimental ways of reading from the introduction This book is a supplement and sequel to *To Each Its Own Meaning* edited by Steven L McKenzie and Stephen R Haynes which introduced the reader to the most important methods of biblical criticism and remains a widely used classroom textbook This new volume explores recent developments in and approaches to biblical criticism since 1999 Leading contributors define and describe their approach for non specialist readers using examples from the Old and New Testament to help illustrate their discussion Topics include cultural criticism disability studies queer criticism postmodernism ecological criticism new historicism popular culture postcolonial criticism and psychological criticism Each section includes a list of key terms and definitions and suggestions for further reading

Paul and Death Linda Joelsson, 2016-11-03 Cover Title Copyright Dedication Contents Acknowledgments 1 Paul and death A question of psychological coping 2 Coping with death in Paul s early letters 3 The Corinthian correspondence 4 Romans 5 The prison letters 6 Conclusions and prospects for further research Index

1001 Ideas That Changed the Way We Think Robert Arp, 2013-10-29 Arranged chronologically presents the important thoughts and big ideas from the most brilliant minds of the past three thousand years including St Thomas Aquinas s five proofs of God s existence and the Freudian slip

Handbook for Biblical Interpretation W. Randolph Tate, 2012-11-01 This handbook provides a comprehensive guide to methods terms and concepts used by biblical interpreters It offers students and non specialists an accessible resource for understanding the complex vocabulary that accompanies serious biblical studies Articles arranged alphabetically explain terminology associated with reading the Bible as literature clarify the various methods Bible scholars use to study biblical texts and illuminate how different interpretive approaches can contribute to our understanding Article references and topical bibliographies point readers to resources for further study This handbook now updated and revised to be even more useful for students was previously published as *Interpreting the Bible A Handbook of Terms and Methods* It is a suitable complement to any standard hermeneutics textbook

The Bible's Foundation Charles L. Aaron, 2013-08-30 The first five books of the Hebrew Bible spark discussions that last for centuries From the creation stories in Genesis through the delineation of the law in Deuteronomy these five books the Pentateuch contain deep troves of historical and spiritual treasures In *The Bible s Foundation An Introduction to the Pentateuch* Charles Aaron Jr looks at each book through several perspectives ancient near Eastern background literary analysis structure important theological concepts and compositional history *The Bible s Foundation An Introduction to the Pentateuch* accounts the academic significance of each book and the issues of faith that have marked these books as important sacred texts Each chapter summarizes the content of an individual book provides careful analysis for selected representative passages and discusses in a critical way the faith issues raised from the text

The Bible and Lay People

Andrew Village,2016-03-23 There are many books about how people ought to interpret the Bible This book is about how people in churches actually interpret the Bible and why they interpret it in the way that they do Based on a study of Anglicans in the Church of England it explores the interaction of belief personality experience and context and sheds new light on the way that texts interact with readers The author shows how the results of such study can begin to shape an empirically based theology of scripture This unique study approaches reader centred criticism and the theology of scripture from a completely new angle and will be of interest to both scholars and those who use the Bible in churches *Divine Disorder and the Rescue of God* Mark Corner,2024-02-13 *Divine Disorder and the Rescue of God* is based on the idea that a kenotic approach is essential to a viable theology It is deeply influenced by the way such an approach influenced the writings of Donald MacKinnon Part I argues that God forces us to live in a state of uncertainty even about God s existence However compelling the sense of God s presence may be religious experience cannot take that uncertainty away We have to understand what sort of God would want to impose upon us the disorder of uncertainty Part II explores this further in terms of God s willingness to give a degree of independence to the created order while Part III compares the instability of the created order with that of the moral order By giving human beings freedom God opens up the possibility of failure including that of God The doctrine of the fall expresses the impossibility of giving human beings autonomy without risking disaster In Parts IV and V the book looks more closely at the nature of this God who embraces risk suffering and even failure Who is the deity behind this divine disorder The focus from a Christian perspective is upon the risk suffering and failure displayed in the life of Christ Jesus is drawn into something that it is beyond him to fathom hence the troubled uncertain character of his own life But from a kenotic perspective even a life marked by failure can be the focal point of God s self revelation [Dictionary for Theological Interpretation of the Bible](#) Kevin J. Vanhoozer,Craig G. Bartholomew,Daniel Treier,N.T. Wright,2005-11-01 For the pastor or serious layperson the realm of biblical interpretation can be a confusing maze of personalities communities methods and theories This maze can often result in obscuring the main goal of interpreting Scripture hearing and knowing God better The Dictionary for Theological Interpretation of the Bible is a groundbreaking reference tool that introduces readers to key names theories and concepts in the field of biblical interpretation It discusses these approaches and evaluates their helpfulness in enabling Christians to hear what God is saying to the church through Scripture The contributors come from a variety of backgrounds and the dictionary covers a broad range of topics with both clarity and depth
