

Thank You Letter to Georgia's Parents

By DR. JOHN BARGE
State School Superintendent

November is Parent Engagement Month in Georgia, and schools across the state are highlighting the role parents play in students' education. In addition, November 20th is National Parent Involvement Day, a time for all parents to consider how they can get more involved in the education of their children.

So far, it's been a busy year. We are moving forward on various initiatives that all, at the core, have the same goal: making sure all of Georgia's students have access to a high-quality education that will prepare them for college and 21st-century careers.

These initiatives will not be successful unless you are actively engaged in their implementation. Research is clear on this point: when schools, families, and communities support each other, students of all backgrounds and ability levels achieve at the highest levels. Engaged parents can make the difference between a school that's barely getting by and a school that's thriving.

To assist you in this process, the Georgia Department of Education has launched the *I CAN Play a Role* Campaign for Title I schools and parents, with a goal of inspiring 50,000 parents to pledge greater involvement in their child's education. To participate in the campaign, choose from 15 different *I CAN Play a Role* pledge cards. Select the card that is the best match for you, or choose multiple cards and pledge to get involved in different ways.

To access printable *I CAN Play a Role* pledge cards or additional *Get the facts...get connected...GET INVOLVED!* resources such as brochures, videos, calendars, letters, and tip sheets provided by the GaDOE, please contact our Parent Engagement office at [404-656-2633](tel:404-656-2633) or visit our website at: <http://www.gadoe.org/School-Improvement/Federal-Programs/Pages/Parent-Month.aspx>.

Also, during November, follow us on Twitter (@GaDOEParents) to receive daily strategies to improve family engagement in your school and like us on Facebook (GaDOEParentEngagement) to track the success of the campaign.

On behalf of our schools and school systems, I want to thank all the parents and families who have taken on the demanding job of being engaged in your child's education. Parents, the importance of your support is immeasurable. When we educators hit a bump, help us plow through it. We simply cannot succeed without you.

Dr. John Barge, a parent and a former school administrator, is Georgia's State School Superintendent.

with God many self perceived barriers are eliminated What is in our thoughts and words comes from our heart Heartfelt gratitude no matter where we are in life is an ingredient that takes our mind off ourselves and makes us serve others Act as a leader and not a follower Speak up for those who cannot help themselves Use positive words and actions to build a model for success which others will follow Please and thank you go a long way in life so when we generate all these qualities and accept God's grace there is no stronger ally for life We are not alone as we all have made mistakes and hopefully learn by example Let our positive words and actions bring happiness love joy and creativity into our lives to help others succeed Are we doing all we can to develop ourselves with the skills God has granted us Are we mentoring those who are struggling in life who need guidance Will we leave a positive legacy for our family and society to use as a pillar The book **T H A N K Y O U** will provide powerful positive words and examples that will help lead to success If you can visualize stay focused work like no other and give it all to God your positive life will arrive Parents and the School Charles Everand Reeves,1963 **What's Your Time Really Worth** , English & Grammar, Grade 5 ,2015-03-02 Brighter Child R English Grammar for Grade 5 helps students master language arts skills Practice is included for parts of speech punctuation vocabulary frequently confused words and more School success starts here Workbooks in the popular Brighter Child R series are packed with plenty of fun activities that teach a variety of essential school skills Students will find help for math English and grammar handwriting and other important subject areas Each book contains full color practice pages easy to follow instructions and an answer key **Hi, and Thanks for Your Latest Letter** Bennett Lear Fairorth,2012-02 The first letter received by the author dated September 9 1988 is from a former student from 1977 who sends happy birthday wishes and condolences for a double tragedy The last 2 letters are both written Easter Sunday 2010 one by the author to his friend Rudy They met in first grade in September 1932 their friendship has lasted 78 years The other letter is from the youngest of the author's 4 children his son Matt who was born in 1959 after 3 daughters Matt also has 3 daughters and in his letter conveys unexpected but good news from Austin Texas Before the author retires in June 1991 from teaching advanced placement English for 40 years at 2 high schools he corresponds with several former students friends and family including 4 younger brothers who live in Chicago St Louis San Francisco and Seattle After he retires the author travels extensively on escorted tours to continental Europe and England as well as to Turkey and several times visits a friend in London During his retirement years the author battles prostate cancer and heart surgery tutors for an adult literacy program at Abington township's public library makes several trips to New York for Broadway shows and Metropolitan Opera productions After Matt gives his father a laptop the author spends most of his time writing about his travels After his oldest grand child marries she gives birth to a son The author becomes a great grandfather *Big Cat* Jerry Grillo,2024-04 Johnny Mize was one of the greatest hitters in baseball's golden age of great hitters Born and raised in tiny Demorest Georgia in the northeast Georgia mountains Mize emerged from the heart of Dixie as a Bunyonesque slugger a quiet but sharp witted man from a broken home who became a professional
