The Angels Garden:

The Angels' Garden Rosemary Kuhn, 2014-11-16 In this whimsical story great joy is expressed over the birth of a child. The angels celebrate by planting a garden which grows into a little paradise. Here the growing child feels loved and sheltered by angels. Children can learn numbers, colors, plants, trees, fruits, and vegetables, and most importantly about angels. Suggested age for readers 2-7. *Angels' Gardens a Metaphysical Story* Gabriella Kasoulidou, 2009-10 Michaela was going through a crucial period in her life when she realized her existence was not limited to that of this world. Learning she somehow inhabited a different energy field, a different plane of existence was such a profound idea that Michaela's mind began to fill with questions about reality, destiny, free will, and time and space. But as this was going on so was her life on the other plane. As Michaela tries to sort out her life, angels from her other existence help Michaela to find her true calling and her own true love. *Angels Gardens* is an inspiring story of self-discovery and enlightenment that opens doors to endless possibilities.

The Chronicles of Detroit, Michigan Alex Gordon, 2017-02-15 Michael, aged seventeen, is slumbering on an eerily hot spring night. Without warning, a human with purple eyes breaks through his window and pins Michael to the bed. At that moment, a skeleton leaps out of the night and cuts the head off as more humans with purple eyes flood in. The skeleton set to work on cutting them down. Soon Michael's room resembles a slaughterhouse. Father Gordon drags Michael from his room to an awaiting van as a purple hue consumes the city of Detroit. In the van, Michael learns that he has been born in a war of the heavens and Derrock, and that he is the reason for the purple hue. He also learns that one half of his soul is pure, the other evil. Will the pure light of his soul bring the end to all souls, or will evil damn the earth and heavens to damnation? Michael has the beast stirring inside, and it wants out. Can Michael control the beast and his mind? Angel Relationships Annette

Postman's Knock Elaine Ellis,2017-08-24 The old proverb The grass is always greener turned out to be an artist s impression not real life at all When Charlotte Whitfield known to everyone as Charlie receives a letter from her best friend Libby she has no idea that her life is about to change forever Libby and James Charlie s husband have been having an affair and James has decided to leave the marriage and move in with Libby But if Libby and James thought that Charlie was ready to be a victim they had forgotten the tough resourceful woman they had both known and loved Calling on all her strength Charlie takes control of her own life despite losing a baby as well as a husband When James for whom the grass turned out not to be greener on the other side starts to threaten Charlie his erratic behaviour turns quickly into dangerous obsession Charlie is forced to re evaluate everything and find out for the first time what it is she truly wants And beside her all the way is Libby s ex husband Bruce whose underappreciated grace and charm become a bedrock for Charlie Are they too falling in love Elaine Ellis s Postman s Knock is a moving story of the way life continues to surprise and how the actions of other people for better or worse make us look anew at ourselves Reproductive Governance and Bodily Materiality Corinna Sabrina Guerzoni,Claudia Mattalucci,2022-04-07 Reproductive Governance and Bodily Materiality explores the growing centrality and power of the medical professional and lay practices within the field of human reproduction as they entangle with political economic processes providing examples from multiple countries *Fibonacci Tales* eLBe,2016-11-13 Fibonacci Tales are fiction written in the format of the Fibonacci sequence hence the name Fibonacci Tales What Fibonacci did is plug a 0 and a 1 and set the rule to always add the next two numbers Each Fibonacci Tales book has two one page chapters one two page chapter one three page chapter one five page chapter one eight page chapter one thirteen page chapter one twenty one page chapter one thirty four page chapter one fifty five page chapter and one eighty nine page chapter for a total of 232 pages per book Fibonacci Tales are written for all ages and in paired sets of books The first pair of Fibonacci Tales books are Fibonacci Tales Vampire Tales and Fibonacci Tales Knights Tales The second pair of Fibonacci Tales books are Fibonacci Tales Dust Tales and Fibonacci Tales Mother Tales The third pare of Fibonacci Tales books will be called Fibonacci Tales Cat Tales and

Fibonacci Tales Goddess Tales These books are works in progress during mid September 2016 The author expects to complete the third pair of Fibonacci Tales books and available around early to mid 2017 Fibonacci Tales books are designed for electronic book reading Each pair of books includes music callouts that are essential to the stories music has the power to calm the savage beast and therefore Fibonacci Tales books do not lend themselves to printed book format Plus the cost of printing two pairs of books and pressing two CDs for each pair of books would not be cost effective and it would be an outright irritant for the dear reader who would have to advance the CD one tune at a time and stop the CD before the next tune began as CD players are designed to do I would utterly hate to read Fibonacci Tales in printed book format For that reason alone scratch the idea of publishing Fibonacci Tales in physical book format I will not agree On the plus side again I have two disinterested readers who will read and comment on Fibonacci Tales books once they are available in e book format
