The Arabian Nightmare:

The Arabian Nightmare Robert Irwin, 2019-05-15 A cult classic that combines the genres of travelogue fable dream narrative novel and confessional into one beguiling whole Publishers Weekly The hero and guiding force of this epic fantasy is an insomniac young man who unable to sleep guides the reader through the narrow streets of Cairo a mysterious city full of deceit and trickery He narrates a complex tangle of dreams and imaginings that describe an atmosphere constantly shifting between sumptuously learned experiences erotic adventure and dry humor The result is a thought provoking puzzle box of sex philosophy and theology reminiscent of Italo Calvino and Umberto Eco Deft and lovely The smooth steely grip of Irwin s story telling genius is a joy to read The Washington Post The Arabian Nightmare is a conceit worthy of Borges The New York Times Irwin s fascination for inner perception helped along with a delight in Scheherazadian frames and exotic lore makes for quite a rich experience a strangely playful construct that like an intricate Chinese box delights with each unexpected combination and hidden drawer Kirkus Reviews

Cairo Andrew Beattie, 2005 Cairo is The largest metropolis in Africa since the Middle Ages it was in Ibn Battutah s words the mother of cities With a present day population of around eighteen million this sprawling metropolis is home to one thousand new migrants every day drawn to the seething intensity of a modern cosmopolitan capital that blends together the cultures of the Middle East and Europe The fabled city on the banks of the River Nile once home to pharaohs and emperors now forms a focal point of the Islamic

faith and of the Arab world Andrew Beattie explores the turbulent past and vibrant present of this city where the enduring legacies of the ancient Egyptians the early Coptic Church British colonial rule and the modernist zeal of the post independence era have all left their mark Against the New Gods and Other Essays on Writers of Imaginative Fiction Brian Stableford, 2009-10-01 Eight highly readable essays on science fiction and fantasy writers including David Brin Jonathan Carroll Samuel R Delany Joe Haldeman Robert Irwin Graham Joyce Michael Shea plus a major piece Against the New Gods on British SF and crime writer Sydney Fowler Wright Complete with Bibliography and Index **The Silk Road of Adaptation** Dr Laurence Raw, 2013-09-18 This anthology of cutting edge essays on adaptation studies adopts the metaphor of the Silk Road an historical site for transcultural as well as transnational exchange The Silk Road of Adaptation puts forward the idea of adaptation as a continuous process in which individuals continually have to adjust themselves to new material we should not only look at the ways in which texts have been transformed but the ways in which readers audiences and critics have responded to them at different points in time and space Adaptation is a psychological as well as a formal process only by coming to terms with others can individuals address issues of human rights or examine themselves and their existing beliefs The Silk Road of Adaptation stresses this point through a series of essays written by representatives of different disciplines film studies history literature communication studies and English as a foreign language Contributors include established names in the field of adaptation studies as well as newer names who together show how the act of adaptation should be approached as a transmedial as well as a transnational act assuming equal significance in the political and diplomatic as well as the literary and cinematic spheres *Arabian Nightmare* Martin Blackburn, 1968 *Tom's Version* Robert Irwin, 2025-06-01 This is the story of a story that plays out in real life Tom is a stock controller Though management of the shelves kept him busy in the daytime his nights were frightful Again and again he dreamt of guns conjuring tricks car chases burials disinterments Martian landscapes and Molly Tom is new to the Story as it was known to the sinister crew who first appeared in *The Runes Have Been Cast* They make their reappearance in this new novel Molly is a hoplophiliac Quentin is the sort of person who knows what a hoplophiliac is someone who likes the use of guns in sex Lancelyn is terrified of women Jaimie has committed murder in order to understand what it is like to be evil Ferdie is a conjuror with bad breath Bernard is an expert on ghost stories Mortimer is a thug who works at the *The Times Literary Supplement* But Tom is just so ordinary apart from his visions of Fairyland Hovering in the background are the ghostly presences of St Ignatius of Loyola St Joseph of Copertino Robert Louis Stevenson and M R James Tom's *Version* is a lament for the sixties and then a mad race towards old age and death there is much fun to be had in these pages and the novel ends with a deftly executed twist of perspective It is a book haunted by many earlier writers but it is Irwin's own antic voice which proves to be the most memorable element JS Barnes in *The Literary Review* Tom's *Version* his 10th novel talks of edgy things from abusive relationships to narcotics and sexual power games but with a jovial almost cosy air that suggests this is all now

second nature for the 77 year old author Tom's Version is in many ways a book about books with all the erudite insularity that entails For all its esoteric trappings there's nothing especially high minded about this energetic romp at its core which I mean in a good way Noel Gardner in Buzz Magazine *Up Through an Empty House of Stars* David Langford,2003-08-01 At last *Up Through an Empty House of Stars* brings together the best of the never before collected SF reviews and articles that helped build David Langford's towering reputation since 1980 Complementing the review columns collected in *The Complete Critical Assembly* and the knockabout essays and squibs in *The Silence of the Langford* this volume's 100 glittering selections mix serious critical insight with the inimitable Langford wit In 2002 David Langford won his sixteenth Hugo award as Best Fan Writer for critical and humorous commentary on SF In the same year his occasionally scandalous SF newsletter *Ansible* won its fifth Hugo Langford also received the 2001 Hugo for best short story and the 2002 Skylark Award Here he shines a unique light on classics like Ernest Bramah G K Chesterton Robert Heinlein and Jack Vance and analyses major SF and major clunkers and minor eccentrics of the 1980s 1990s and early 2000s continuing to the latest by such current stars as Gene Wolfe and China Mi ville Plus witty asides on crime fiction and its SF links gleeful examination of writing so bad it's almost good and even at his most serious turns of phrase to make you laugh aloud *Arabian Nightmare* aRichard,1999 *Terrors of the Flesh* David Huckvale,2020-08-06 The horror and psychological denial of our mortality along with the corruptibility of our flesh are persistent themes in drama Body horror films have intensified these themes in increasingly graphic terms The aesthetic of body horror has its origins in the ideas of the Marquis de Sade and the existential philosophies of Arthur Schopenhauer and Friedrich Nietzsche all of whom demonstrated that we have just cause to be anxious about our physical reality and its existence in the world This book examines the relationship between these writers and the various manifestations of body horror in film The most characteristic examples of this genre are those directed by David Cronenberg but body horror as a whole includes many variations on the theme by other figures whose work is charted here through eight categories copulation generation digestion mutilation infection mutation disintegration and extinction
