how shall the prominent figures and the smaller details the multitude of memories and impressions so made be fixed and established in their proper perspective It was the effort to solve this problem that produced this series of Outlines in Greek Roman English and American history They were first privately printed and have been experimented with for several years The result has been so gratifying in accomplishing the end in view as to suggest that they might prove similarly useful to others hence their present publication The Outlines have been enlarged and revised in collaboration with a colleague of wide experience in preparing pupils for college Mr E B Treat who has used them in their original form and who therefore brings the valuable assistance of independent experiment and experience to the work of improvement and revision It cannot be too emphatically said that the Outlines should not be introduced into the class until after the work of the text book is finished they are preeminently intended as their title indicates for review About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
