Congress,2006 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Truman's Triumphs** Andrew E. Busch,2012-10-23 The Chicago Tribune headline DEWEY DEFEATS TRUMAN remains infamously wrong about the outcome of the 1948 presidential election But as Andrew Busch reveals there is much more to this story than the well worn image of a victorious and beaming President Harry Truman parading the newspaper's erroneously headlined front page for all to see Primarily a contest between Truman and challenger Thomas Dewey the 1948 presidential race offered something for everyone including two third party candidates Strom Thurmond and Henry Wallace triumphant grit tragic hubris dangerous naiveté accidents of fate accusations of betrayal foreign crises the birth of Israel in the Middle East a dramatic special session of Congress internecine battles among unions and liberals spies extremists galore including Ku Klux Klansmen and Communists the first televised convention wayward polls and of course a final result that surprised many Amid a small library of books on the topic Busch's stands out by offering the best scholarly study available and the most readable His fresh account goes beyond previous work by examining more closely the nomination season key congressional elections and the state of public opinion He also digs into splits in both parties the Democrats seeing Southern segregationists and the far left run their own candidates and the Republicans facing a division between philosophical wings representing the 80th Congress and the presidential ticket and tells why the Republican schism proved more damaging He concludes that the election was especially significant as an affirmation of the New Deal of anti Communist containment and of gradual progress in civil rights all of which established the political baseline for postwar America Even readers knowledgeable about Truman's 1948 victory will discover new findings in this fresh and revealing account of that dramatic race Truman's Triumphs recalls a contest with more twists and turns and a different outcome than most contemporaries anticipated and makes engaging reading for scholar and history buff alike **Major Decisions** Laurie Grobman,E. Michele Ramsey,2020-03-13 A practical how to guide for students and a powerful reminder of the value of a humanities education In recent decades the humanities have struggled to justify themselves in the American university The costs of attending a four year college have exploded resulting in intense pressure on students to major in STEM science technology engineering and mathematics business and other pre professional or practical majors that supposedly transmit more marketable skills than can be acquired from the humanities But as Laurie Grobman and E Michele Ramsey argue this vision of humanities majors idly pondering the meaning of life for four years is inaccurate Major Decisions demonstrates how choosing a major in the humanities is a worthwhile investment in a global economy that is shifting in the direction of college

graduates who think broadly critically and ethically Indeed the core skills and knowledge imparted by an education in the humanities including facility with written and verbal communication collaboration problem solving technological literacy ethics leadership and an understanding of the human impacts of globalization are immensely useful to employers across a variety of sectors Major Decisions serves as a deeply informative guide to students and parents and provides a powerful reminder to employers and university administrators of the true value of an education in the humanities *Asian American Interethnic Relations and Politics* Franklin Ng, 2014-10-29 The United States has seen several anti Asian movements as evidenced by immigration policies naturalization laws state and local statutes and acts of violence In recent years Asian Americans have mobilized against prejudice and discrimination organizing media groups and panethnic coalitions to achieve greater political effectiveness These essays address recent issues of interethnic relations and conflict and politics in Asian American communities ranging from the Japanese American redress movement for unjustified World War II internment Japan bashing the model minority stereotype resistance to urban renewal interethnic conflicts with other groups Asian American politics Asian American panethnicity and involvement in ancestral homeland politics **Business in Black and White** Robert E. Weems, 2009-02-01 Business in Black and White provides a panoramic discussion of various initiatives that American presidents have supported to promote black business development in the United States Many assume that U S government interest in promoting black entrepreneurship began with Richard Nixon s establishment of the Office of Minority Business Enterprise OMBE in 1969 Drawn from a variety of sources Robert E Weems Jr s comprehensive work extends the chronology back to the Coolidge Administration with a compelling discussion of the Commerce Department s Division of Negro Affairs Weems deftly illustrates how every administration since Coolidge has addressed the subject of black business development from campaign promises to initiatives to downright roadblocks Although the government s influence on black business dwindled during the Eisenhower Administration Weems points out that the subject was reinvigorated during the Kennedy and Johnson Administrations and in fact during the early to mid 1960s when civil rights included the right to own and operate commercial enterprises After Nixon s resignation support for black business development remained intact though it met resistance and continues to do so even today As a historical text with contemporary significance Business in Black and White is an original contribution to the realms of African American history the American presidency and American business history **Hating Girls** , 2022-02-22 Hating Girls is a collection of cutting edge essays addressing the pervasive problem of misogyny from an intersectional framework particularly focused on identities of gender race class sexuality and religion Scholars activist reformers and social justice practitioners offer multiple perspectives of the misogyny that dominates our culture providing both macro views as well as case studies in the United States This interdisciplinary analysis exposes the destructive oppressive beliefs and practices inherent in our society and offers a progressive equitable way forward Contributors are Portia Allie Turco Mary Sue Barnett Melissa Brennan Angela Cowser Diane Dougherty Dorislee
