

US History EOC Review Packet

American Identity

Important Vocabulary

- **Branches of Government** – Legislative (Congress), Executive (President), and Judicial (Supreme Court)
- **Checks and Balances** – set up by the Constitution; each branch of the federal government has the power to check, or control, the actions of the other branches
- **Separation of Powers** – set up by the Constitution; system in which each branch of the government has its own powers
- **Popular Sovereignty** – set up by the Constitution; people are the source of the government's power
- **Free-Enterprise** – freedom of private businesses to operate competitively for profit with minimal government regulation
- **Unalienable Rights** – rights that can't be denied by government, including life, liberty, and the pursuit of happiness
- **Ratify** – to approve by vote
- **Judicial Review** – right of the Supreme Court to judge laws passed by Congress and determine whether they are constitutional or not
- **Alexis de Tocqueville Five Values**
 - **Laissez-Faire** – minimal government regulation of businesses and the economy
 - **Liberty** – freedom; people have the power to chose
 - **Egalitarianism** – equality in society and politics; no social classes
 - **Individualism** – self interest; people have different backgrounds and experiences
 - **Populism** – promotes the interests of the common people
- **E Pluribus Unum** – out of many one; symbolizes the different colonies coming together to form one country
- **Constitutional Republic** – government run by representatives elected by the people whose job it is to uphold the constitution

Important Documents/Policies

- **Declaration of Independence** – written by Thomas Jefferson, declared the colonies independence from England; unalienable rights of life, liberty, and the pursuit of happiness
- **Constitution** – sets out the laws and principles of the government of the United States
- **Bill of Rights** – first ten amendments to the Constitution and details the protection of individual liberties

Important People

- **King George III** – King of England who disbanded the colonial legislatures and taxed the colonies leading to the final break with the colonies
- **Thomas Jefferson** – founding father who wrote the Declaration of Independence
- **Benjamin Rush** – founding father who signed the Declaration of Independence and favored educating women and was anti-slavery
- **John Hancock** – founding father who was the President of the Continental Congress and the first to sign the Declaration of Independence

Us History Eoc Review Key:

Florida EOC US History Vocabulary Workbook Lewis Morris, Learn the Secret to Success on the Florida EOC US History Exam Ever wonder why learning comes so easily to some people This remarkable workbook reveals a system that shows you how to learn faster easier and without frustration By mastering the hidden language of the subject and exams you will be poised to tackle the toughest of questions with ease We ve discovered that the key to success on the Florida End of Course United States History Exam lies with mastering the Insider s Language of the subject People who score high on their exams have a strong working vocabulary in the subject tested They know how to decode the vocabulary of the subject and use this as a model for test success People with a strong Insider s Language consistently Perform better on their Exams Learn faster and retain more information Feel more confident in their courses Perform better in upper level courses Gain more satisfaction in learning The Florida EOC US History Vocabulary Workbook is different from traditional review books because it focuses on the exam s Insider s Language It is an outstanding supplement to a traditional review program It helps your preparation for the exam become easier and more efficient The strategies puzzles and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long term memory The Florida End of Course United States History Exam Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider s Language before you even begin your review Learn the Secret to Success After nearly 20 years of teaching Lewis Morris discovered a startling fact Most students didn t struggle with the subject they struggled with the language It was never about brains or ability His students simply didn t have the knowledge of the specific language needed to succeed Through experimentation and research he discovered that for any subject there was a list of essential words that when mastered unlocked a student s ability to progress in the subject Lewis called this set of vocabulary the Insider s Words When he applied these Insider s Words the results were incredible His students began to learn with ease He was on his way to developing the landmark series of workbooks and applications to teach this Insider s Language to students around the world

Louisiana EOC US History Vocabulary Workbook Lewis Morris, Learn the Secret to Success on the Louisiana EOC US History Exam Ever wonder why learning comes so easily to some people This remarkable workbook reveals a system that shows you how to learn faster easier and without frustration By mastering the hidden language of the subject and exams you will be poised to tackle the toughest of questions with ease We ve discovered that the key to success on the Louisiana End of Course US History Exam lies with mastering the Insider s Language of the subject People who score high on their exams have a strong working vocabulary in the subject tested They know how to decode the vocabulary of the subject and use this as a model for test success People with a strong Insider s Language consistently Perform better on their Exams Learn faster and retain more information Feel more confident in their courses Perform better in upper level courses Gain more satisfaction in learning The Louisiana EOC US History Exam Vocabulary Workbook is different from traditional

review books because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider's Language to use it with confidence and make it part of your long-term memory. The Louisiana End of Course US History Exam Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success After nearly 20 years of teaching, Lewis Morris discovered a startling fact: Most students didn't struggle with the subject; they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject, there was a list of essential words that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the Insider's Words. When he applied these Insider's Words, the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this Insider's Language to students around the world. *Roadmap to the Virginia Sol: Eoc World History* Laura York, Princeton Review, 2005

Roadmap to the Virginia SOL Laura Schaefer, Princeton Review (Firm), 2005. Roadmap to the Virginia SOL EOC Virginia and United States History includes strategies that are proven to enhance student performance. The experts at The Princeton Review provide content review of the crucial material most likely to appear on the test, detailed lessons complete with test-taking techniques for improving test scores, 2 complete practice Virginia SOL EOC Virginia and United States History tests. **Cracking the Texas EOC** Jeff Mandell, 2000. Contains strategies and techniques designed to help students score higher on the Texas EOC exam in United States history. **Meeting the Challenges to Measurement in an Era of Accountability** Henry Braun, 2016-01-29. Under pressure and support from the federal government, states have increasingly turned to indicators based on student test scores to evaluate teachers and schools as well as students themselves. The focus thus far has been on test scores in those subject areas where there is a sequence of consecutive tests such as in mathematics or English language arts with a focus on grades 4-8. Teachers in these subject areas, however, constitute less than thirty percent of the teacher workforce in a district. Comparatively little has been written about the measurement of achievement in the other grades and subjects. This volume seeks to remedy this imbalance by focusing on the assessment of student achievement in a broad range of grade levels and subject areas with particular attention to their use in the evaluation of teachers and schools in all. It addresses traditional end-of-course tests as well as alternative measures such as portfolios, exhibitions, and student learning objectives. In each case, issues related to design and development, psychometric considerations, and validity challenges are covered from both a generic and a content-specific perspective. The NCME Applications of Educational Measurement and Assessment series includes edited volumes designed to inform research-based applications of educational measurement and assessment. Edited by leading experts, these books are comprehensive and

practical resources on the latest developments in the field The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
