Christ, Youth for Christ International Staff, 2015 The Three Story Bible based on Youth for Christ's Three Story discipleship program encourages Christian teenagers to better understand how God's story overlaps with the story of their life and the lives of their friends resulting in deeper fellowship with each other and with God. It's filled with 500 Connection Point Questions that inspire teens to read the Bible more closely and think about its application to their lives more carefully. Over 150 Then Now features weave together the stories of young people today with Scripture in ways that equip teens to talk more openly about God and build deeper, more genuine relationships with each other. Relevant, thought provoking and interactive, the Three Story Bible invites teens to discover where their stories and God's story intersect through relational discipleship and engagement. The New Living Translation breathes life into even the most difficult to understand Bible passages but even more powerful are stories of how people's lives are changing as the words speak directly to their hearts.

If Carl Wells, 2019-07-17 Do we hear biblical Christianity in our churches? What if our brand of Christianity is only partly true to what the Bible teaches? What if our understanding of eternal life, eternal death is flawed so dramatically as to harm both Christians and non-Christians? Our Christian civilization currently seems to be at risk. What if that's our fault because we have ignored vital Bible teachings? If God's Covenant of Grace traces the Bible's use of the powerful little word *if* to discuss crucial life and death issues.

Heart Bernard Huber, 2011 Bernard Huber was born in France in 1954 and is today pastor in the Reformed Church of Switzerland. He has been deeply involved in development aid in India and with the Bartimaeus Project for many years. He spends part of his time in India every year. He discovered very soon that people in great material need are also in need of spiritual help. So he introduced the Prayer of Stillness amongst Indian Christians many years ago and has been able to see incredible changes taking place in the lives of those who faithfully practise this form of prayer. The Prayer of Stillness leads us to a place where we can rediscover our own hearts and learn to use our innate strength and energy in a more healthy way. Many individuals in the vast ocean of mankind have feelings of insecurity and become aware of the fact that a person needs a retreat; they can retire to whenever they feel the need. We need to find our innermost selves and to rediscover God. The Prayer of Stillness will help us along the path to the ultimate goal. The time has come for the Christian world to realise that changing

anything of any importance is going to demand a sacrifice and that we are the ones who will have to make that sacrifice
