Reproducible Teacher training Sessions **My Cancer Journey and Lessons Learned** Linda Morgan Anderson, 2024-12-11
As I began coming to terms with my cancer diagnosis I started writing these devotions I felt God was leading me to do this
and at times He would speak to me about writing several at a time then there would be dry times Those times came when I
was more focused on worldly things than what God was wanting me to be focused on As I returned to listening to that small
voice the subject and body of the devotion came dearer to me and I began writing again There are devotions directly related
to my cancer journey with most relating to the lessons that I have learned or relearned Recently I was diagnosed with
another cancer breast cancer After surgery and radiation treatments I feel the chance of reoccurrence is as low as it can be
As I have gone through the diagnosis and treatment these devotions have proven be support to me even though I wrote them
My prayer is that those reading this book will be inspired to have hope for the future even though they are going through or
have gone through their own cancer journey *NKJV, The Lucado Life Lessons Study Bible* Thomas Nelson, 2010-09-06
