Thank You Note To Choir Director:

Before the Singing Barbara Tagg, 2013-04-25 Written for the collaborative community that supports children's choirs in school, church, and community contexts. Before the Singing is appropriate for artistic directors, conductors, music educators, board members, volunteers, administrators, staff, and university students studying music education or nonprofit arts management.

Transforming Choral Singing Charles W. Beale, Charles Beale, 2024 In *Transforming Choral Singing: An Activist's Guide for Choir Directors*, author Charles W. Beale draws from his many years of choral directing experience to put forth a new vision for choral singing to move audiences and change the world. He lays down a non-canonical and inclusive framework grounded in critical musicology and pedagogy for mission-driven and activist-oriented engagement with the choral arts and provides practical takeaways for choral practitioners and conductors through a lively mix of practical workshops, tips, and suggestions.
