Well-Intentioned Whiteness Chhaya Kolavalli, 2023-04-15 This book documents how whiteness can take up space in U S cities and policies through well

intentioned progressive policy agendas that support green urbanism Through in depth ethnographic research in Kansas City Chhaya Kolavalli explores how urban food projects central to the city s approach to green urbanism are conceived and implemented and how they are perceived by residents of food deserts those intended to benefit from these projects Through her analysis Kolavalli examines the narratives and histories that mostly white local food advocates are guided by and offers an alternative urban history of Kansas City one that centers the contributions of Black and brown residents to urban prosperity She also highlights how displacement of communities of color through green development has historically been a key urban development strategy in the city Well Intentioned Whiteness shows how a myopic focus on green urbanism as a solution to myriad urban problems ends up reinforcing racial inequity and uplifting structural whiteness In this context fine grained analysis of how whiteness takes up space in our cities even through progressive policy agendas is more important Kolavalli examines this process intimately and in so doing fleshes out our understanding of how racial inequities can be recreated by everyday urban actors

Honeybee Hotel Leslie Day, 2018-10-31 The fascinating story of the urban honeybee garden on the roof of the legendary Waldorf Astoria hotel The tale of Honeybee Hotel begins over one hundred years ago with the Astor family and the birth of the iconic Manhattan landmark the magnificent Waldorf Astoria In those early days the posh art deco masterpiece had its own rooftop garden for guests to enjoy Fast forward to the turn of the twenty first century and we meet executive chef David Garcelon the creative genius behind the idea of restoring the celebrated rooftop garden His vision included six hives containing some 300 000 honeybees which would provide a unique flavor for his restaurant s culinary masterpieces Yet Garcelon s dream was much grander than simply creating a private chef s garden he wanted the honeybee garden to serve as a bond among people Soon the staff of the hotel the guests local horticulturists and beekeeping experts formed a community around the bees and the garden which not only raised vegetables herbs and honey to be served in the hotel but also provided healthy food to the homeless shelter across the street at St Bartholomew s Church Through her meticulous research and interviews with culinary glitterati entomologists horticulturists and urban beekeepers Leslie Day leads us on a unique insider s tour of this little known aspect of the natural world of New York City She familiarizes us with the history of the architectural and cultural gem that is the Waldorf and introduces us to the lives of Chef Garcelon and New York City s master beekeeper Andrew Cot Day an urban naturalist and incurable New Yorker tells us of the garden s development shares delectable honey based recipes from the hotel s chefs and mixologist and relates the fate of the hotel in the wake of the Waldorf s change of ownership During our journey we learn quite a bit about apiaries as well as insect and flower biology through the lives of the bees that travel freely around the city in search of nectar pollen and resin This absorbing narrative unwraps the heart within the glamour of one of the world s most beloved cities while assuring us that nature can thrive in the ultimate urban environment when its denizens care enough to foster that connection

Regulating the Body Austin Sarat, Susanna Lee, 2025-08-05 This book examines how legal regulation of the body has been rhetorically

justified as well as how it has been practiced Tracing a wide range of ideological moral and religious arguments invoked to justify regulation increase its reach and authorize punishment for infractions this book locates a discursive incoherence and worsening hypocrisy in law s regulating of the body Anne Burrell Kathlyn Gay,2016-07-15 Anne Burrell is one of the Food Network s most recognizable faces Through full color photographs exciting text and fascinating direct quotations upper level readers will dive into her background and discover just what inspired Anne to study food and help some of the worst cooks in America improve their culinary prowess Also included are recipes students can try to practice their skills in the kitchen

From Body Fuel to Universal Poison Francesco Buscemi,2017-12-13 This book explores our changing relationship with meat as food Half storytelling and half historic work it analyzes the way in which humans have dealt with the idea of eating animals in the Western world from 1900 to the present The story part of the book follows the rise and fall of meat and illustrates how this type of food has become a problem in a more emotional way The historical component informs and offers readers key data The author draws on theories of circular societies smart cities and smart countries to explain how and why forms of meat production that were common in the past have since all but disappeared Both components however explain why meat has been important and why it has now become a problem In tracing the fall of meat the author identifies a host of dilemmas These include fossil energy pollution illnesses caused by eating meat factory farming and processed foods Lastly the book offers a possible solution The answer focuses on new forms of meat obtained without killing animals and in a sense resembles renewable energy Overall this unique cultural history offers revealing insights into how meat affects social relations interpersonal relationships and humanity as a whole **Journal of the proceedings** Oregon. Legislative

Assembly. House of Representatives,1893 **Strings from Above** Kirby Smith,2015-03-10 The words you have one year to live had an impact on author Kirby Smith and changed the way she lived her life At the age of twenty eight she learned her mother Nancy would not survive her battle with breast cancer In the days leading up to her mothers death she and her family witnessed multiple spiritual events Kirby and her family cared for her terminally ill mother until she passed away on October 13 2012 In 2013 Kirbys sister was diagnosed with Hodgkins lymphoma Rochelle a young mother and registered nurse faced her diagnosis and treatment with faith and a positive attitude that mirrored Nancys grace during her own multiple diagnoses with cancer Rochelle and Kirbys father Les stood by Nancys side during their thirty three years of marriage and led their two daughters through the grieving process His prayers for peace and comfort were answered both during and after Nancys passing Some of the answers to their questions came from genetic testing proactive health care interaction with a spiritual medium and signs from heaven Some of their questions remain unanswered but Kirby and her family know they will see how all of the pieces fit together at the end of their lives As you read *Strings from Above* you will walk through the journey with Kirby and her family as they experience happiness and sorrow In their darkest of days God never abandoned them He continued to guide them through lifes trials and hardships Their mothers light continues to shine and they have been blessed

beyond measure They have learned to embrace Gods greatest blessings and they are excited to invite others to see His great works and His constant love through their story
