centered around shared political enemies a penchant for conspiracy theories and a desire to restore America to its authentic pre New Deal values The popular front included Merwin Hart a New York business lobbyist active in far right circles who became a lobbyist for the Franco regime in Spain the original America First movement the movement to prevent Jewish immigration to the United States after World War II the John Birch Society the American Nazi Party the George Wallace presidential campaign of 1968 the fight over the National Endowment for the Humanities and Pat Buchanan s support of Nazi war criminal John Demjanjuk during the Reagan Administration And connecting this disparate coalition was William F Buckley Jr the editor of National Review and America s leading responsible conservative rdquo Anarchism and Authority
