**(Annotated)** James H Blount, 2020-02-03 Differentiated book It has a historical context with research of the time Any narrative covering our acquisition of the Philippine Islands must of course centre in the outset about Admiral Dewey and the destruction by him of the Spanish fleet in Manila Bay on Sunday morning May 1 1898 But as the Admiral had brought Aguinaldo down from Hong Kong to Manila after the battle and landed him on May 19th to start an auxiliary insurrection which insurrection kept the Spaniards bottled up in Manila on the land side for three and a half months while Dewey did the same by sea until ten thousand American troops arrived and easily completed the reduction and capture of the beleaguered and famished city on August 13th it is necessary to a clear understanding of the de facto alliance between the Americans and Aguinaldo thus created to know who brought the Admiral and Aguinaldo together and how and why The United States declared war against Spain April 21 1898 to free Cuba and at once arranged an understanding with the Cuban revolutionists looking to co operation between their forces and ours to that end For some years prior to this political conditions in the Philippines had been quite similar to those in Cuba so that when two days after war broke out the Honorable Spencer Pratt Consul General of the United States at Singapore The British Straits Settlements found Aguinaldo who had headed the last organized outbreak against Spain in the Philippines temporarily sojourning as a political refugee at Singapore in the Filipino colony there he naturally sought to arrange for his co operating with us against Spain as Gomez and Garcia were doing in Cuba Thereby hangs the story of Mr Pratt s Serenade However before we listen to the band whose strains spoke the gratitude of the Filipinos to Mr Pratt for having introduced Aguinaldo to Dewey let us learn somewhat of Aguinaldo s antecedents as related to the purposes of the introduction The first low rumbling of official thunder premonitory

Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but

Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy's insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942 *The Statesman's Year-Book* J. Scott-Keltie, M. Epstein, 2016-12-28 The classic reference work that provides annually updated information on the countries of the world *Guardians of Empire* Brian McAllister Linn, 1997 In a comprehensive study of four decades of military policy Brian McAllister Linn offers the first detailed history of the U S Army in Hawaii and the Philippines between 1902 and 1940 Most accounts focus on the months preceding the Japanese attack on Pearl Harbor By examining the years prior to the outbreak of war Linn provides a new perspective on the complex evolution of events in the Pacific Exhaustively researched *Guardians of Empire* traces the development of U S defense policy in the region concentrating on strategy tactics internal security relations with local communities and military technology Linn challenges earlier studies which argue that army officers either ignored or denigrated the Japanese threat and remained unprepared for war He demonstrates instead that from 1907 onward military commanders in both Washington and the Pacific were vividly aware of the danger that they developed a series of plans to avert it and that they in fact identified even if they could not solve many of the problems that would become tragically apparent on 7 December 1941 **Gentleman Soldier** John Clifford Brown, 2004 Given in honor of Dr David Romei by the Aggeland Rotary Club of Bryan College Station Labor Immigration under Capitalism Lucie Cheng, Edna Bonacich, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1984 *Dean Worcester's Fantasy Islands* Mark Rice, 2014-07 A biography of the man whose photographic activities had a profound influence on the way that Americans perceived the Philippines throughout the twentieth century *The Blood of Government (Volume 2 of 2) (EasyRead Comfort Edition)*, *Facing West* Richard Drinnon, 1997 American expansion says Richard Drinnon is characterized by repression and racism In his

reinterpretation of winning the West Drinnon links racism with colonialism and traces this interrelationship from the Pequot War in New England through American expansion westward to the Pacific and beyond to the Philippines and Vietnam He cites parallels between the slaughter of bison on the Great Plains and the defoliation of Vietnam and notes similarities in the language of aggression used in the American West the Philippines and Southeast Asia Department of the Army Pamphlet, 1951

**The Philippine Temptation** Epifanio San Juan, 1996 In this incisive and polemical book E San Juan Jr the leading authority on Philippines U S literary studies goes beyond fashionable postcolonial theory to bring to our attention the complex history of Philippines U S literary interactions In sharp contrast to other works on the subject the author presents Filipino literary production within the context of a long and sustained tradition of anti imperialist insurgency and foregrounds the strong presence of oppositional writing in the Philippines After establishing the historical context of U S intervention and Filipino resistance San Juan examines the work of two very significant writers The first Carlos Bulosan a journalist and union activist became in the author s words a tribune of the people Bulosan s writings which combine critique and prophecy do not allow us to forget the atrocities inflicted on the Filipino people The other Jos Garcia Villa lapsed into premature obscurity on account of the complexity of his writings about the Filipino predicament Read through San Juan s eyes these writers are revealed as multifaceted thinkers and activists not stereotypical ethnic artists San Juan goes beyond literary studies and contemporary debates about nationalism and politics to point the way to a new direction in radical transformative writing He uncovers hidden agendas in many previous accounts of U S Philippine relations and this book exemplifies how best to combine activist scholarship with historically grounded cultural commentary Author note E San Juan Jr is Fellow of the Center for the Humanities and Visiting Professor of English Wesleyan University and Director of the Philippines Cultural Studies Center He was recently chair of the Department of Comparative American Cultures Washington University and Professor of Ethnic Studies at Bowling Green State University Ohio He received the 1999 Centennial Award for Literature from the Philippines Cultural Center His most recent books are *Beyond Postcolonial Theory From Exile to Diaspora* *After Postcolonialism and Racism and Cultural Studies*
