The American Promise Vol 1

Maxwell Ervin

The American Promise Vol 1:

The American Promise, Volume I: To 1877 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann, 2012-01-09 The American Promise is more teachable and memorable than any other U S survey text. The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories. The voices of hundreds of Americans from Presidents to pipe fitters and sharecroppers to suffragettes animate the past and make concepts memorable. The past comes alive for students through dynamic special features and a stunning and distinctive visual program. Over 775 contemporaneous illustrations more than any competing text draw students into the text and more than 180 full color maps increase students geographic literacy. A rich array of special features complements the narrative offering more points of departure for assignments and discussion. Longstanding favorites include Documenting the American Promise, Historical Questions, The Promise of Technology, and Beyond American Borders, representing a key part of our effort to increase attention paid to the global context of American history.

American Promise Arthur I. Blaustein, 2017-07-12 This forcefully argued and carefully documented report by the National Advisory Council on Economic Opportunity criticizes the Reagan Economic Recovery Program on the basis that it separates economic theory from social policy, pursuing the former at the expense of the latter, which hurts the poor and could lead to social chaos. This controversial volume also argues that the current policy proposals for the 1980s ignore national standards of responsibility and accountability. The report focuses on five aspects of American social, economic, and political life: unemployment and inflation, federal antipoverty programs and policies, the changing face of poverty and the myths that affect the poor, the role of voluntary associations, and the shared moral values of our society. The particular problems of family, child care, and welfare for women in poverty.

LBJ's American Promise Garth E. Pauley, 2006-12-01 Though Lyndon Johnson developed a reputation as a rough-hewn arm-twisting deal maker, with a drawl at a crucial moment in history he delivered an address to Congress that moved Martin Luther King Jr to tears and earned praise from the media as the best presidential speech in American history. Even today his voting rights address of 1965 ranks high, not only in political significance but also as an example of leadership through oratory. Garth E. Pauley carefully analyzes both the content and the context of this historic speech. He begins with an analysis of the less-than-linear path of voting rights in the United States and highlights the failures and limited successes of previous legislation. Many commentators have seen Johnson's voting rights speech as a response to the escalating protests in Selma, and Pauley explores that connection. Did Johnson wait too long to address the issue? Would he have championed voting rights without the protests? Pauley traces the development of the speech and the policy with these questions in mind. He situates the speech not only within its immediate context but also within Johnson's ideology and value system, tracing the influences on Johnson's racial attitudes and describing the complex of policies he developed to address issues of inequality. Having set the stage for the address, Pauley then carefully analyzes the text itself.

He charts the authorship of the speech through several drafts by aides traces the purposefulness of the allusions and recounts the extemporizing Johnson introduced when he actually delivered the address He notes the idealistic even mythic dimensions of the speech which contrast with its plainspoken style Finally Pauley gauges the effectiveness of the speech He reports the response to the address in the media among civil rights leaders and in the general population Pauley concludes with some reservations about the effectiveness not only of this address but also of the Johnson program for racial justice Nonetheless he believes that Lyndon Johnson's We Shall Overcome speech remains a remarkable achievement combining principle with rhetorical leadership

The American Promise, Volume 1 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann, 2019-06-10 The American Promise has long been a course favorite Students value The American Promise for its readability clear chronology and lively voices of ordinary Americans while instructors rely upon the rich content the many documents and features and the overall support for teaching their class their way The American Promise provides superior formats for every use the print book allows for a seamless reading experience while LaunchPad provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress LaunchPad comes with a wealth of primary sources and special critical thinking activities to help students progress toward achieving learning outcomes LearningCurve the adaptive learning tool that students love to use to test their understanding of the text and instructors love to assign to prepare students for class and a suite of instructor resources from videos to test banks that make teaching simpler and more effective
