The Best Fight: A Memoir of a Martial Art Practitioner, Publisher, and Author Michael DeMarco, 2023-10-10 A needle may draw a thread through printed pages to bind a book. In this little memoir I feel like a needle that drew a common thread though a segment of martial art history. This book details three interrelated activities: 1 martial art studies 2 involvement as founder of Via Media Publishing producing a quarterly journal and books and 3 teaching martial arts. Publishers writers

researchers and serious martial art practitioners will benefit with the detailed overview of Via Media and its publications Via Media produced the Journal of Asian Martial Arts known for its high academic and aesthetic standards Its contents reflect the history of two decades and provides rich information for practitioners and scholars making The Best Fight a valuable reference work In addition to reading the primary way to learn a martial art is through instruction In reading about my studies and teaching experience readers can relate to their own involvement in martial arts What is important here is the portrayal of my instructors their teaching methods and reasons for being involved in martial arts Their accounts should offer insights and inspiration for others who study and practice any martial art **The Saturday Review of Politics,**
