The Almost Mystic Steven P. Tungate, 2024-07-31 John Wesley eighteenth century Church of England priest and founder of Methodism was strongly influenced by the works of Roman Catholic mystics early in his ministry These writings shaped his widely known doctrine of Christian perfection or entire sanctification The mystics inspired Wesley to advocate for a lofty spiritual goal that he believed to be attainable in this life In time however he developed many contentions with extremes as well as some particulars found in the mystical tradition Beginning in 1749 Wesley began to publish his Christian Library a fifty volume compilation of abridged works that he believed to be among the best writings on practical divinity that had been published in English Among this vast collection he incorporated two works originally written in Spanish including a sampling of Letters by Juan de Avila and the Spiritual Guide by Miguel de Molinos This book examines Wesley's editing of these works as a way of evaluating Wesley's theology in comparison and contrast with Spanish mysticism In particular this book serves as a comparative study among these authors on matters of theological authority self knowledge and epistemology soteriology spiritual growth suffering and divine withdrawal prayer meditation contemplation and the spiritual goal

British Methodist Revivalism and the Eclipse of Ecclesiology James E. Pedlar, 2023-12-01 Revivalism was one of the main causes of division in nineteenth century British Methodism but the role of revivalist theology in these splits has received scant scholarly attention In this book James E Pedlar demonstrates how the revivalist variant of Methodist spirituality and theology empowered its adherents and helped foster new movements even as it undermined the Spirit's work through the structures of the church Beginning with an examination of unresolved issues in John Wesley's ecclesiology Pedlar identifies a trend of increasing marginalisation of the church among revivalists via an examination of three key figures Hugh Bourne

1772 1852 James Caughey 1810 1891 and William Booth 1860 1932 He concludes by examining the more catholic and irenic theology of Samuel Chadwick 1860 1932 the leading Methodist revivalist of the early twentieth century who became a strong advocate of Methodist Union Pedlar shows that these theological differences must be considered alongside social and political factors in any well rounded assessment of the division and eventual reunification of British Methodism

The Hermeneutics of Social Identity in Luke-Acts Nickolas A. Fox,2021-03-15 Luke Acts presents a vision of the kingdom of God and the early church in a program of decentralization that is a movement away from the centralized power structures of Judaism Decentralization of the temple land purity laws and even the people that seem to possess the power early in Acts i e Peter and the other apostles makes room for a move of radical inclusion Luke demonstrates the Holy Spirit as the prime initiator of outward expansion of the kingdom of God radically including and welcoming God fearers gentiles an Ethiopian eunuch and more Fox argues that Luke Acts is purposed to create social identity in God fearing readers using the rhetorical tools of the first century to communicate prescribed beliefs and norms promise and fulfillment and prototypes and exemplars Each of these elements is examined and traced through Luke s two volume work

The Monastic Footprint in Post-Reformation Movements Kenneth C. Unleashing the Work of God W. Joseph Stallings,2019-11-07 Are we Methodists ready for the work of God to be unleashed Are we ready for Methodism to be the catalyst of yet another New Pentecost God has decisively acted in Christ and Christ says Do this Therefore there is

only one real answer since not ready is not a valid response For United Methodism to be revived there can be no more such excuses Christ showed us his presence and power through Constant Word and Sacrament praxis during the time of the Acts 2 church Christ then again showed us his same divine presence and power through Constant Word and Sacrament praxis during the Methodist Evangelical Revival We have now been given two millennia to view this work of God We Methodists were born of this work of God How much more being made ready to unleash it do we require A Companion to Atheism and Philosophy Graham Oppy, 2019-05-06 PROSE 2020 Single Volume Reference Finalist Philosophers throughout history have debated the existence of gods but it is only in recent years that the absence of such a belief has become a significant topic of philosophical analysis in particular for philosophers of religion Although it is difficult to trace the historical contours of atheism as the lack of belief in a higher power the reasoned reflective and thoughtful rejection of theism has become commonplace in many modern intellectual circles including academic philosophy where disciplinary data indicates that a large majority of philosophers self identify as atheists As the first book of its kind to bring together a collection of writing on the philosophical aspects of atheism both historical and contemporary the Companion to Atheism and Philosophy stages an explicit constructive and comprehensive conversation between philosophy and atheism to examine the ways in which atheist thought intersects with ideas and positions from a variety of philosophical and theological sub disciplines The Companion begins by addressing the foundational questions and lingering controversies which underpin philosophical thought about atheism exploring the implications of major developments in the history of philosophy for the modern atheistic worldview Divided into eight distinct sections essays consider a range of thinkers who were widely believed to have been atheists including David Hume Mary Wollstonecraft Karl Marx and Elizabeth Cady Stanton and survey different kinds of objections to theism and atheism including logical evidential normative and prudential Later chapters trace the relationship between atheism and metaphysics epistemology ethics and political philosophy oriented around topics such as pragmatism postmodernism freedom education violence and happiness Deftly curated and thoughtfully composed A Companion to Atheism and Philosophy is the most ambitious and authoritative account of philosophical thinking on atheism available and is a first rate resource for academics professionals and students of philosophy religious studies and theology **Studies in Gangs and Cartels** Robert J. Bunker, 2017-07-05 Concerns over the changing nature of gangs and cartels and their relationships to states in the late 20th and early 21st centuries has resulted in the emergence of a scholarly body of work focused on their national security threat potentials This body of work utilizing the third generation gangs and third phase cartel typologies represents an alternative to traditional gang and organized crime research and one that is increasingly influencing the US defense community Rather than being viewed only as misguided youth and opportunistic criminals or in their mature forms as criminal organizations with no broader social or political agendas more evolved gangs and cartels are instead seen as developing political mercenary and state challenging capacities This evolutionary process has emerged due

to the growing illicit economy and other unintended consequences of globalization This important anthology of writings by Robert J Bunker and John P Sullivan draws upon a collection of their works from the mid 1990s to the present with the addition of new essays written specifically for this publication The work will be of great interest to academics and students in the fields of political science and criminal justice and to military law enforcement and governmental professionals and policy makers This book is a collection of new and previously published works from a variety of publications a full list of which is on the Citation Information page

Union with God in Christ Matthew Friedman, 2017-10-26 A significant number of Muslim communities throughout the world reflect varying degrees of involvement in Islamic mysticism What bridges are present in this context that will facilitate not only evangelism but also discipleship and community formation Matthew Friedman guides the reader on a journey examining the response of the early Christian community to the challenges of ancient Jewish and Hellenic mysticism focusing on the central idea of union with God in Christ Far from finding this to be a leftover from the early Church he discovers that this theme remained crucial into the Reformation particularly in the writing and work of eighteenth century figures John and Charles Wesley Join Friedman as he explores resources for discipleship and community building that will be relevant to both scholars and practitioners alike and will be effective for witness within modern contexts of Islamic mysticism worldwide

Bauer, 2022-11-15 *Becoming Catawba* examines the lives and legacies of women who executed complex decision making and diplomacy to navigate shifting frameworks of kinship land ownership and cultural production in dealings with colonial encroachments white settlers and Euro American legal systems and governments from the mid sixteenth century to the early nineteenth century Personified in the figure of Sally New River a Catawba leader to whom 500 remaining acres of occupied tribal lands were deeded on behalf of the community in 1796 and which she managed until her death in 1821 Bauer reveals how women worked to ensure the survival of the Catawba people and their Catawba identity an effort that resulted in a unified nation Bauer's approach is primarily ethnohistorical although it draws on a number of interdisciplinary strategies

Born in Crisis and Shaped by Controversy, Volume 2 John R. Tyson, 2023-07-27 This second installment of the Methodist story *Shaped by Controversy* examines eight of the major controversies that epitomize aspects of Methodism's inter family dialogue and trauma These theological ecclesial and ethical controversies tried the values tested the patience and strained our familial relationships Ultimately they divided the Methodist movement Ironically controversy was often rooted in something that was good and right about the Methodist movement a commitment to addressing what had somehow gotten out of balance and become destructive Internal struggles over matters related to class economic status gender and race shook Methodism precisely because the inclusion of all people from diverse backgrounds and walks of life was a foundational aspect of the early Methodism Contentious controversies have revolved around matters like 1 the nature of spiritual life faith and good works 2 predestination and the nature Christian assurance of salvation 3 the difficulties of living out Christian Perfection in a world full of imperfect people 4 the pain and

trauma of ecclesiastical separation 5 women's leadership in the church 6 the debilitating effects of racism and segregation 7 governance and shared leadership and 8 the affirmation and full inclusion of LGBTQ people These controversies within the church family have challenged and pained Methodists deeply They have also forced Methodists to examine their own priorities and clarify what matters most to them How the Methodists responded to these controversies for good or for ill has shaped the identity of the Methodists as people of faith Hopefully both guidance and encouragement can be found in this history because the past is often like a distant mirror that reflects very clearly upon lives lived today The Abrahamic Encounter Mazhar Jalil, Norman Hosansky, Paul D. Numrich, 2016-12-08 In these times of increasingly contentious politics and uncivil discourse in the United States the ongoing encounter of adherents of the Abrahamic faiths in the American heartland offers a model of positive interfaith relations Edited by a Muslim a Jew and a Christian this volume describes the three goals of the Central Ohio Abrahamic encounter Enhancing mutual understanding and relationships disseminating accurate information about the three major Abrahamic traditions Judaism Christianity and Islam and contributing to the general betterment of society Here is a local story that can inform even inspire other communities across the country and around the globe Topics include beliefs scripture and interpretation historical illustrations and legacies contemporary challenges and possibilities and group dynamics especially majority minority relationships among American Christians Jews and Muslims This volume will appeal to the growing audience for interfaith resources The inclusion of several essays by noted religious scholars and leaders chosen for their significance to the Central Ohio Abrahamic encounter sets this volume apart from other publications on local initiatives It is well suited for individual or group study in churches synagogues mosques and interfaith organizations and can be assigned for undergraduate and graduate seminary courses on Abrahamic relations or interfaith relations generally **Egyptian Pentecostalism: When Cyclones of Divine Power Invaded the Ancient Land** Tharwat Maher Nagib Adly Nagib, 2023-09-29 This book on Egyptian Pentecostalism is considered the first integrated monograph on the topic It invites scholars and students of Religions Renewal Studies and Pentecostalism around the world to discover a new arena of research Due to the sociocultural perspective of this study on Pentecostalism in Egypt the book also invites sociologists and scholars who study sociocultural and religious context of the Middle East and North Africa to add new trajectories to their studies No doubt that this study reveals what was concealed for decades regarding movements and revivals that broke out in Egyptian cities and villages A must read
