Budget Process, V.2 Bill Heniff Jr.,Robert Keith,Megan Lynch,2018-06-20 Budgeting for the federal government is an enormously complex process It entails dozens of subprocesses countless rules and procedures the efforts of tens of thousands of staff persons in the executive and legislative branches and the active participation of the President congressional leaders Members of Congress and members of the executive branch This analysis shows the various elements of the federal budget process including the President s budget submission framework timetable the budget resolution reconciliation the Byrd Rule appropriations authorizations and budget execution Congress is distinguished from nearly every other legislature in the world by the control it exercises over fashioning the government s budgetary policies This power referred to as the power of the purse ensures Congress primary role in setting revenue and borrowing policies for the federal government and in determining how these resources are spent The congressional power of the purse derives from several key provisions in the Constitution Article I Section 8 Clause 1 Power to tax and spend declares in part that Congress shall have the power to raise that is to lay and collect revenues of various types including taxes and duties among other things Article I Section 8 Clause 2 Borrowing power declares that the power to borrow funds on the credit of the United States belongs to Congress In addition to its powers regarding revenues and borrowing Congress exerts control over the expenditure of funds Article I Section 9 Clause 7 declares in part that funds can be withdrawn from the Treasury only pursuant to laws that make appropriations Under the Constitution revenue measures must originate in the House of Representatives Beyond this requirement however the Constitution does not prescribe how the House and Senate should organize themselves or the procedures they should use to conduct budgeting Over the years however both chambers have developed an extensive set of rules some set forth in statute and precedents that lay out complicated multiple processes for making budgetary decisions The House and Senate have also created an intricate committee system to support these processes As American society has grown and become ever more complex and as the role of the federal government in the national economy has steadily expanded Congress also has increasingly shared power over budgetary matters with the president and the executive branch It has refashioned the president s role in budgeting by requiring him to submit to Congress each year a budget for the entire federal government and giving him responsibilities for monitoring agencies implementation of spending and revenue laws Accordingly the

president also exercises considerable influence over key budget decisions Table of Contents 1 Introduction to the Federal Budget Process CRS Report 98 721 December 3 2012 38 page PDF 2 The Executive Budget Process An Overview CRS Report R42633 July 27 2012 3 The Executive Budget Process Timetable CRS Report RS20152 December 5 2012 8 page PDF 4 The Congressional Budget Process A Brief Overview CRS Report RS20095 August 22 2011 5 Budget Resolution Enforcement CRS Report 98 815 August 12 2008 6 Deeming Resolutions Budget Enforcement in the Absence of a Budget Resolution CRS Report R44296 June 26 2017 7 Legislating in Congress Federal Budget Process Contributing Author Bill Heniff Jr with updates by Robert Keith and Megan Lynch 8 The Budget Reconciliation Process Stages of Consideration CRS Report R44058 January 4 2017 9 The Budget Reconciliation Process The Senate s Byrd Rule CRS Report RL30862 November 22 2016 44 page PDF 10 The Congressional Appropriations Process An Introduction CRS Report R42388 November 30 2016 28 page PDF 11 Allocations and Subdivisions in the Congressional Budget Process CRS Report RS20144 November 29 2010 12 Omnibus Appropriations Acts Overview of Recent Practices CRS Report RL32473 January 14 2016 13 Appropriations Report Language Overview of Development Components and Issues for Congress CRS Report R44124 July 28 2015 14 Overview of the Authorization Appropriations Process CRS Report RS20371 November 26 2012 5 page PDF 15 Points of Order in the Congressional Budget Process CRS Report 97 865 October 20 2015 21 page PDF 16 The Budget Control Act Frequently Asked Questions CRS Report R44874 February 23 2018 17 Budget Sequestration and Selected Program Exemptions and Special Rules CRS Report R42050 June 13 2013 35 page PDF 18 Continuing Resolutions Overview of Components and Recent Practices CRS Report R42647 January 14 2016 19 Additional Resources Federal Budget Links and Research Tools Laws web sites and books TCNBudget com Custom On Site Training Understanding Congressional Budgeting and Appropriations TCNUCBA com Advanced Federal Budget Process TCNAFBP com Congressional Dynamics and the Legislative Process TCNCDLP com Capitol Learning Audio Courses TM Appropriations Process in a Nutshell with James Saturno ISBN 1 58733 043 1 Authorizations and Appropriations in a Nutshell with James Saturno ISBN 1 58733 029 6 The Federal Budget Process with Philip Joyce ISBN 1 58733 083 0 IndexFederalBudgetProcess com *Survey of Current Business*, 2012 Presents current statistical data on economic activity
