# US HISTORY UNIT 1 CHALLENGE 1 LEARNING ABOUT THE HISTORIANS PRACTICE

Which list of activities best represents the basic practices of historians?

- a.)
  - applying historical lenses,
  - asking questions about the nature of history,
  - compiling facts about past events and
  - creating narratives about the past

Choose the factor that should influence a professional historian's interpretation of politics in the Gilded Age.

- d.)  
The questions the historian chooses to ask

Which of these is an example of a primary source for historical research on the American Civil Rights movement?

- C.)  
an audio recording of Martin Luther King Jr. giving his "I Have a Dream" speech

Consider the excerpt from a speech given by the former slave and abolitionist Frederick Douglass to the Massachusetts Anti-Slavery Society:

"I have had but one idea for the last three years to present to the American people, and the phraseology in which I clothe it is the old abolition phraseology. I am for the 'immediate, unconditional and universal' enfranchisement of the black man, in every State in the Union. [Loud applause.] Without this, his liberty is a mockery; without this, you might as well almost retain the old name of slavery for his condition; for in fact, if he is not the slave of the individual master, he is the slave of society, and holds his liberty as a privilege, not as a right. He is at the mercy of the mob, and has no means of protecting himself."
