presented in Wise Social Studies Practices Yeager Davis 2005 Yeager and Davis highlight the rich and ambitious teaching
that can occur in the broad context of state level testing In this book the chapter authors and I bring the particular state
history tests more to the fore and examine how teachers are responding to them At the heart of Measuring History are cases
of classroom teachers in seven states Florida Kentucky Michigan New York Texas Mississippi and Virginia where new social
studies standards and new and generally high stakes state level history tests are prominent In these chapters the authors
describe and analyze the state s testing efforts and how those efforts are being interpreted in the context of classroom
practice The results both support and challenge prevailing views on the efficacy of testing as a vehicle for educational reform
