**Re-awakening Languages** John

Hobson, Kevin Lowe, Susan Poetsch, Michael Walsh, 2018-08-30 The Indigenous languages of Australia have been undergoing a renaissance over recent decades Many languages that had long ceased to be heard in public and consequently deemed dead or extinct have begun to emerge Geographically and linguistically isolated revitalisers of Indigenous Australian languages have often struggled to find guidance for their circumstances unaware of the others walking a similar path In this context *Re-awakening Languages* seeks to provide the first comprehensive snapshot of the actions and aspirations of Indigenous people and their supporters for the revitalisation of Australian languages in the 21st century The contributions to this volume describe the satisfactions and tensions of this ongoing struggle They also draw attention to the need for effective planning and strong advocacy at the highest political and administrative levels if language revitalisation in Australia is to be successful

and people's efforts are to have longevity

**Reproductive Justice and the Catholic Church** Emily Reimer-Barry, 2024-06-10 Pregnancy loss is profoundly complex, ambiguous and alienating but telling women who have procured abortions that they are murderers and sinners is not the best way forward. Magisterial teachings on abortion are too often presented as moral absolutes when in fact moral absolutism distorts the rich wisdom of the Catholic intellectual tradition. This book initiates a new conversation about women's experiences of miscarriage, stillbirth and abortion, arguing that we need not approach these difficult life experiences in a simplistic way. Dr. Reimer-Barry argues that both the pro-life and pro-choice movements make important and valuable claims, yet each approach on its own is flawed. Drawing on the framework of reproductive justice together with Catholic social teaching, Dr. Reimer-Barry suggests a new way forward for abortion discourse that takes seriously the full human dignity of women and the intrinsic, though not absolute, value of prenatal life. She argues that instead of thinking of the Church as a moral teacher with leaders in Rome or Washington DC dictating to the consciences of the faithful, a better way to address the complexity of difficult pregnancy discernments would be to think of the Church as a community of support in the midst of and after difficult discernments, a community that seeks justice together and implements structural reforms while also providing spiritual care to those in need. What women deserve is justice.

Living the Works of Mercy Ellen P. Cavanaugh, 2003 Living the Works of Mercy: Daring Teens to Change the World can be used by teachers, coordinators of youth ministry, directors of religious education, catechists, teen mentors, anyone who works with young people in junior and senior high school. It contains fourteen sessions, each of which engages teens thoughtfully, actively and prayerfully in one of the works of mercy in a variety of ways. The book also contains two retreats: Jesus in Disguise is an overnight retreat on the corporal works of mercy and is designed for younger teens; Christ Looks on Us with Love is a weekend retreat on the spiritual works of mercy, especially created for older teens. Living the Works of Mercy: Daring Teens to Change the World is a resource that helps adults facilitate for teens the dialogue between profound human experiences and the revealed word of God. It is a resource that enables teens to understand the relevance of God's word in their life and ultimately dares them to translate this sacred dialogue into action that will change the world.
