

Hello! My name is Mrs. Smart. It's my pleasure to welcome your child as part of my classroom this year! I am so excited to be part of the second grade team at Woody Creek Elementary.

Let me share a little about myself with you. I was born and raised in upstate New York. I received my Bachelor's degree from Elmira College in 2002. In 2005, I received my Master's degree in Elementary Education from Ball State Western University. I have taught Kindergarten, second grade, fifth grade, and now third grade. Having teaching experience from Kindergarten through upper elementary will really help me challenge your child to the things this year.

I am married and have two children, Victoria, is in first grade and my son, Kevin, is in third grade. When we're not busy going to soccer games and piano lessons, we enjoy hiking, camping, and cooking.

Teaching has always been my passion. I love instilling a love of learning in students so they become life-long learners. I love seeing that spark, the sense of pride a student feels when he or she accomplishes a difficult task, or learns a new skill. I am looking forward to working with you to make this a successful and amazing year for your child.

Enclosed you will find information about Open House, Parent Night and a classroom supply list for you.

Sincerely,

All in One!

A LETTER FROM My TEACHER

Welcome to third grade! I can't wait to meet you next week as you start a new journey as a third grader. It's going to be a year filled with fun, learning, and new adventures.

First, let me tell you a little bit about me. My husband and I have two young children, two cats, and one turtle named Turtle Tail. My daughter, Victoria, is in first grade and my son, Kevin, is in third grade. When we're not busy going to soccer games and piano lessons, we enjoy hiking, camping, and cooking as a family.

This year you will be busy learning through hands-on activities, group work, and creative projects. You will become a scientist as we learn all about weather, the solar system, simple machines, and the rainforest. In social studies we will travel back in time to learn how America became a free country starting with the Thirteen Colonies, Revolutionary War, and then we'll continue on to the Westward Expansion. In math, we will conquer multiplication and long division as well as fractions and geometry.

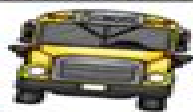

Did I mention that you get to write and publish your very own book? Every year my class does a special project where we learn all about our favorite authors and then write, illustrate, and publish our very own book! In addition, we will expand our reading and writing skills through monthly book reports, writer's workshop, interactive notebooks, literature circles, and much more!

I am so excited to hear what you did over the summer and for you to be part of this awesome all star class. Enjoy the last days of summer! I look forward to seeing you next week!
