**Something for Your Journey** Donnamichele,2009-02-10 What I have learned is that life is a journey and we are often challenged with all we see feel and experience through the paths that our journey takes us Every journey is filled with its own twists and turns bumps and bruises Yet it is the twist and turns the bumps and bruises that help us discover who we are and where we want to be All my life I have believed in God and His ultimate presence in all our lives However there was so much that had not been made clear to me about having a relationship with Him Through accepting the word of God and all the lessons that came through this new knowledge I found that through faith anything is possible At times what life presented challenged my faith I had to learn to walk according to my faith not my feelings or how things seemed or any thing that my eyes could see From this time in my life I wrote poetry according to what I was learning I consider Something for Your Journey as my offering into the Kingdom of God that more would understand the vital profit made to the inner man through the word of God Though this is my first book I find that in my heart it will always stand as my greatest work as it is a book that I believe will make many journeys I pray it adds something great to yours God bless you

in Christ by renewing our minds setting our sights on the heavenly realities and pursuing our kingdom's purpose. In a collection of inspirational poetry, Ametra Edwards interweaves prophetic declaration and reflection scripture with verse to capture God's heart and creatively express His voice.
