Season of High Adventure S. Bernard Thomas, 2024-06-07 In 1928 Edgar Snow 1905 1972 set out to see the world hoping to make his mark as a travel adventure writer Shanghai was to be a mere stopover but Snow stayed on in China for thirteen more years The idealistic young Midwesterner became a journalist and ultimately developed close friendships with China's emerging revolutionary leaders His 1938 classic *Red Star over China* strongly influenced American views of the Chinese Communists and is still in print nearly sixty years later This biography breaks fresh ground with its unique and extensive use of Snow's diaries of over forty years These writings convey Snow's private hopes and fears his moods and motivations Thomas skillfully links them with Snow's public writings and deeds By recreating the milieu in which Snow worked in China Thomas provides a clearer understanding of both the man and his times Snow came to China devoid of any political agenda or sinological background He returned home a politically astute China hand and famed journalist author His writing had taken on the nature of political action which resulted in troubled soul searching that Snow usually confined to his diary Thomas's portrait of Ed Snow reveals a man caught up in an important historical moment a man who profoundly influenced and was influenced by the events that swirled around him This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1997 **Federal Register**, 1983-07-05 The American Theological Review, 1859 *Chemical News and Journal of Physical Science*, 1870 *An Inspired Word in Season* Thomas M. Bolin, 2025-07-10 An accessible guide to thoughtfully and faithfully reading and interpreting the Bible in our polarized world Can Christians navigate the use of biblical texts that are quoted and used to support points across the political spectrum What principles exist for interpreting those that support conflicting viewpoints In *An Inspired Word in Season* biblical scholar Thomas Bolin addresses these pressing questions by equipping readers with an interpretive toolkit to more thoughtfully and faithfully use the Bible as a moral guide to inform their thinking as Christian citizens Drawing upon U.S. history and contemporary social debates along with the centuries old interpretive traditions used in reading the Bible this book describes how biblical interpretations can be so diverse and offers an interpretive principle for helping to bridge the gaps that divide Christians who rely on the Bible as a resource for thinking about important social issues In *An Inspired Word in Season* Thomas Bolin offers readers a guide for responsible use of the Bible for discerning

modern ethical questions forming reasoned opinions on current political issues and examining the Bible's relevance to modern life The Chemical News and Journal of Physical Science ,1868 Allen's Indian mail and register of intelligence for British and foreign India ,1880 *Eighteen Years of a Clerical Meeting; Being the Minutes of the Alcester Clerical Association, from June, 1842, to August, 1860 ...* Richard Seymour (Canon of Worcester.),1862 *Eighteen years of a clerical meeting, the minutes of the Alcester clerical association, 1842 to 1860, ed. by R. National Labor Relations Board,1992 *The London Philatelist* ,1900 *Everybody's journal* ,1859 *Very Near to You* Avraham Burg,J J Goldberg,2012 The book is a new interpretation of the weekly torah reading It is written from a world view deeply committed to Judaism which places the responsibility of interpretation and identity on each one of us The Torah is not in heaven but in the heart and mouth of you and me to study it and to live by it Through this book the author tries to involve the reader in the language of the five books of Moses that has been present in our lives for thousands of years It's a language which is human universal moral historical and national My interpretation is one of many and I try to invite the reader or student to argue or to agree to add or to subtract from my interpretation or even better to develop their own interpretation and spread it around Notes and Queries: a Medium of Inter-communication for Literary Men, Artists, Antiquaries, Genealogists, Etc ,1895 **Development Practice in Eastern and Southern Africa** Tshilidzi Madzivhandila,Sepo Hachigonta,Joseph Francis,Joseph Kamuzhanje,Oluwatoyin Dare Kolawole,Shirley DeWolf,2022-03-29 This book is a rare collection of reflective and reflexive stories that reveal how seasoned academics agents of grassroots social change leaders and journalists transformed and shaped the development landscape in eastern and southern Africa Whereas practical experiences are crucial assets and resources for shaping the academic environment and development practice landscape most of the existing literature recommended as key learning materials in tertiary institutions is rarely in synch with the practical realities of development practice The shared individual lived experiences from academic endeavours and fieldwork provide hands on tools for students and emerging practitioners who might be involved in or are currently facilitating development work The thrust of the book therefore is to demystify the day to day experiences of development practitioners while contributing to learning pathways or strategies for achieving viable solutions to the myriad of challenges which grassroots communities face The relevance of the book as a crucial resource for students pursuing development oriented degree programmes in colleges and universities is obvious Without any doubt the compilation will be handy in the implementation of diverse development oriented transformation agenda at academic programming and policy levels
