been given the rightful discussion it deserves In addition to examining the alien in the science fiction short story novella and novelette Monk evaluates its role in pre postmodernist and postmodernist criticism and theory The author also draws on relevant writings by editors writers and fans including editorial letter columns and reviews to place the stories in the context of science fiction By drawing on all of these sources *Alien Theory* brings into focus a topic that will be of interest not only to academics and students but also to the general reader *AB Bookman's Weekly* ,1987-11 *CD-ROMs in Print* ,2003
