the essential dilemma of Truck still rings true as Jerome dismantles the aged straight six he also disassembles our reliance on two hundred dollar appliances that sport flaws in thirty five cent parts and decries the deliberate encapsulation impenetrability of the overtechnologized things with which we furnish our lives Despite gouged knuckles a frigid New Hampshire winter frustrating and inexplicable assemblies and a close call when the truck rolls off its jacks he perseveres In the end he admits I did not find God out there in the barn among the cans of nuts and bolts What he does find however is that he must make peace with technology it s a mistake he says to assume there is a point on that line between the caveman s club and the moon shot that marks the moral turnaround before which technology was somehow benign after which it is malign While Jerome gains a truck that runs sometimes we gain new insight into a technology that continues to encroach upon our lives
