[Post-apocalyptic/Zombie horror series bundle] K.R. Griffiths, 2014-09-19 Wildfire Chronicles is the acclaimed horror science fiction series from K R Griffiths This compilation collects volumes 1 to 4 in one bargain package Panic Volume 1 Michael Evans is only in rural St Davids to maintain a low profile after his time spent as a city cop ended in disaster The town is perfect for him isolated A tiny population Virtually no crime Until the night the strange canisters fall from the sky and the town priest starts killing people with his teeth To Michael the bloodbath looks like a murder case that the quiet town s two police officers can t possibly handle But this isn t just a crime scene And the priest is just the beginning Shock Volume 2 The team had been told it would be a straightforward mission enter St Davids now little more than a ghost town retrieve the target and return to base Trouble is the target is a man named Victor and it looks like somebody else got to him first And St Davids is anything but a ghost town Psychosis Volume 3 Michael Evans crippled survivor of the massacre at St Davids has

only one goal left to find his young daughter And that means journeying north and discovering that during the five days he spent comatose in an underground bunker the world has changed dramatically And worse it s still changing Struggling to come to terms with a world steeped in shocking violence and ever present danger Michael must adapt quickly to a new reality the virus has already infected the population But it isn t stopping there Mutation Volume 4 The only thing the survivors of the catastrophe in South Wales wanted was a safe place to ride out the apocalypse The castle looked perfect high walls and natural defenses that even the infection could not breach The problem was that someone had beaten them to it Someone who would stop at nothing to maintain control Someone with a dark secret that could change everything Tags Zombie apocalypse Zombies Horror Post apocalyptic Action Dystopian Series Science Fiction Thriller Suspense Wildfire Chronicles The Mind Siege Project (Soul Survivor Series Book 1) Bob DeMoss,2020-04-27 8 Students 7 Days 1 Ticking Time Bomb The latest thriller by New York Times bestselling author Bob DeMoss Here Jodi and her classmates set sail on the Chesapeake Bay during Spring Break They were supposed to learn how to respect people whose beliefs clashed with their own while embracing diversity How could they know one passenger had come armed and was bent on bloody death or that they were in the pathway of a powerful storm Or that someone had disabled the radio to silence any calls for help How could they foresee that their boat had become a floating laboratory where truth and lies right and wrong would be tossed overboard Had they known they would never have left the safety of the dock Can they survive the storm Be sure to check out all four books in the Soul Survivor Series including All the Rave The Last Dance and Black Friday *THE MEMOIRS OF A PHYSICIAN - Complete Marie Antoinette Series (Volumes 1-5)* Alexandre Dumas,2024-01-11 In The Memoirs of a Physician Complete Marie Antoinette Series Volumes 1 5 Alexandre Dumas intricately weaves historical fact with vibrant fiction chronicling the tumultuous life of Marie Antoinette against the backdrop of 18th century France The series unfolds in eloquent prose that captures the court s opulence intrigue and impending revolution blending detailed character studies with dramatic plot twists Dumas flair for storytelling and sharp dialogue creates a compelling narrative that immerses readers in the passions and perils faced by the infamous queen and those in her orbit embodying the themes of love loyalty and betrayal permeating the era Dumas a prominent figure in 19th century literature was influenced by his own turbulent heritage and the intricate social hierarchies of French society His multicultural background combined with extensive travels and a deep interest in history informed his portrayal of Marie Antoinette Dumas affinity for the interplay between power and personal agency shines through his characters reflecting his own experiences with societal dynamics and political turmoil This five volume series is a must read for enthusiasts of historical fiction and those interested in the complexities of French history Dumas masterful storytelling enlivens the life of Marie Antoinette providing not only entertainment but also a poignant commentary on the trials of a woman caught in the throes of revolution Dive into this opulent saga to witness the rise and fall of a queen whose legacy continues to captivate **The Oasis of Filth - The Complete Series** Keith Soares,2014-03-22

They kept us locked in walled cities away from the unlucky people who got infected I suppose that made us the lucky ones but for me it was a pretty tough pill to swallow Before everything went down before a combination of rabies and leprosy turned people into something an awful lot like zombies I was a Maryland doctor nearing retirement wealthy and respected even if I was a pompous ass In the walled city all of that disappeared and I had nothing Not until Rosa showed up one day She had dreams making me realize that I had lost mine If not for her I would never have escaped Never seen the world outside the walls Never known hope again But with hope came fear and in our world that came with death Funny how the disease took away life community even civilization itself but gave me one thing I never knew I wanted family Still our life was a cruel life and it taught me one thing clearly We might not all get killed by this world this disease but there s no way we re all getting out alive Includes The Oasis of Filth Part 1 The Hopeless Pastures The Oasis of Filth Part 2 From Blood Reborn The Oasis of Filth Part 3 Winner of the Red City Review science fiction and fantasy book of the year award The book sets up a believable and in many ways terrifying world one which takes the zombie genre in a direction that can actually be called unique While a book about outcasts banding together may seem as overdone a trope as zombie fiction itself once again I have to assure anyone reading this that the author Keith Soares is in all ways a step above those expectations in his ideas and his execution I don t recommend reading this book I recommend reading every book this author publishes as I have no doubt he will continue raising the bar Soares paints a frightening realistic picture of life in a post apocalyptic world It s refreshing to read a book in this vein that allows the reader to explore a protagonist s anguish without relying on a flat twenty something hero Quite different from the majority of novels in the zombie apocalypse genre but in those differences were some truly great decisions by the author in creating a post apocalyptic environment and mind set that is unlike any other I have ever read and I have read literally over a hundred books by now dealing with post apocalyptic worlds A realistic zombie virus great book A zombie trilogy that had me hooked I found it to be unique among books in the zombie outbreak genre and very plausible Fast paced and exciting I couldn t put it down
