Head Over Heels Leeanna Morgan, 2017-09-17 Fans of Pamela Kelley and Robyn Carr will love this small town feel good romance. All she wanted was a home for a shelter dog. What she got was a man with the biggest heart she'd ever seen and a past that made her cry. Sally Gray has been surrounded by tall, dark, handsome men her entire life. It's going to take a lot more than big muscles and a fondness for Irish Wolfhounds to make her fall for the man from Copper Creek. Todd Randall had the perfect life: a career that took him around the world, a wife and son that he loved beyond words. Then, in one terrifying night, everything changed, and he's never been the same since. Sally needs Todd's help to make a bride's dream come true, but he gave up believing in dreams a long time ago. With a wedding disaster looming and no happy ending in sight, Sally has no choice but to do what it takes to make Todd change his mind. If that means confronting everything that's kept him locked away from the world, then she'll do it. Even if the price turns out to be more than either of them can afford. **Head Over Heels** is the third book in The Bridesmaids Club series and can easily be read as a standalone. All of my series are linked, so if you meet a character you like, you could find them in another book. Happy reading! Praise for The Bridesmaids Club Series: What a great romance with an original storyline. There is mystery to keep the intrigue and curiosity spinning, characters with personality and romance woven throughout it all. Easy read with wonderful characters and heartwarming romance. Relaxing and shows the kindness of mankind, but with hints of the real world we live in. Another terrific book that will make you smile. A book for all romantics out there, and if you liked any of Roberts' books, you will love this as much. Can they overcome their fears to have a life together? A real feel-good book.
