Soviet Military Deception in the Second World War David M. Glantz, 2012-11-12 Published in 1989 Soviet Military Deception in the Second World War is a valuable contribution to the field of Military Strategic Studies *A Dictionary, English-Latin and Latin-English ... The second edition, enlarged* Elisha COLES (Lexicographer), 1679 **The English Constitution ... Translated from the Second German Edition, by R. J. Shee** Eduard FISCHER, 1863 **A Grammar of the English Language ... Second edition** John SMITH (Schoolmaster, of Norwich.), 1816 *The Bible and Its Evidences. Evans, 2004 Including a range of materials dating from the nineteenth century to the present this comprehensive collection brings together the essential research into the historical reality of Jesus the man his teachings and the acts and events ascribed to him that comprise the foundational story of one of the world's central religions br br The set features a substantial new introduction by the editor in the first volume and a full index in the last and provides work covering all of the key aspects of the field including the recent discussions concerning anti-Semitism in early Christianity and the political and ideological filtering of the Jesus story through the Roman empire and beyond *Doctor Faustus - Second Edition* Christopher Marlowe, 2007-02-12 Doctor Faustus is a classic its imaginative boldness and vertiginous ironies have fascinated readers and playgoers alike But the fact that this play exists in two early versions printed in 1604 and 1616 has posed formidable problems for critics How much of either version was written by Marlowe and which is the more authentic Is the play orthodox or radically interrogative Michael Keefer's early work helped to establish the current consensus that the 1604 text was censored and revised the Keefer edition praised for its lucid introduction and scholarship was the first to restore two displaced scenes to their correct place Most competing editions presume that the 1604 text was printed from authorial manuscript and that the 1616 text is of little substantive value But in 2006 Keefer's fresh analysis of the evidence showed that the 1604 quarto's Marlovian scenes were printed from a corrupted manuscript and that the 1616 quarto though indeed censored and revised preserves some readings earlier than those of the 1604 text This edition has been updated and revised Keefer's critical introduction reconstructs the ideological contexts that shaped and deformed the play and the text is accompanied by textual and explanatory notes and excerpts from sources **The Cottage Garden ...
