of Scotland The cavern is linked to the Ambrosius Amulet and is said to contain the greatest treasure of gold jewels and other
artifacts ever amassed by the ancient druids Finding this sacred place won t be easy especially when those trying to kill the
forlorn trio are hot on the trail again Meanwhile Nick and his cohorts search is limited to details from a conversation Marie
had with her father prior to his murder a year earlier His last wish was for her to complete the task he couldn t and was the
main reason Marie hired Nick as her archeologist guide to first find the Temple of the Jaguar in the Honduran jungles and
then eventually move on to the United Kingdom to complete Daddy s failed quest Now after being chased relentlessly
through Europe by Yassir Ali s hit men they finally possess the key to finding the druid treasure Yet the Ambrosius Amulet
can only tell them when they have found the right location The task of locating the correct marked Scottish hillside must be
handled on their own using natural means Relying on Marie s memory of landmarks and coordinates given by her father the

task of searching Loch Ness Loch Lomond and Loch Morar quickly becomes a hazardous affair Will one of these famed locations prove to be home to this fabled treasure of the early Brits Or will this be one myth that can't be solved either by fate or bullets from a ruthless enemy closing in These questions and more are waiting to be answered in the Secret of the Loch
