Secrets Book 2 The Researcher II:

Danites Research Secret Mormon Killers , *Secret Wings of World War II* Lance Cole, 2015-06-30 There are many myths and legends surrounding the advanced German aeronautical technology of the Second World War There are also facts and proven events Yet within these stories and behind these facts lie conspiracy theories mistaken assumptions and denials that seem to contradict the evidence So what really happened How far ahead were the German scientists And of even greater interest why and how There have been other books about advanced German wartime aeronautics yet few authors have fully examined the detail of the designs and their relevance to the fighter and bomber legends of the 1950s and 60s let alone the current crop of military and civil all wing or blended wing aircraft This book charts the story from its origins through current day innovations and beyond into the all wing future of tomorrow

Secret Wars Austin Carson, 2020-06-09 *Secret Wars* is the first book to systematically analyze the ways powerful states covertly participate in foreign wars showing a recurring pattern of such behavior stretching from World War I to U S occupied Iraq Investigating what governments keep secret during wars and why Austin Carson argues that leaders maintain the secrecy of state involvement as a response to the persistent concern of limiting war Keeping interventions backstage helps control escalation dynamics insulating leaders from domestic pressures while communicating their interest in keeping a war contained Carson shows that covert interventions can help control escalation but they are almost always detected by other major powers However the shared value of limiting war can lead adversaries to keep secret the interventions they detect as when American leaders concealed clashes with Soviet pilots during the Korean War Escalation concerns can also cause leaders to ignore covert interventions that have become an open secret From Nazi Germany's role in the Spanish Civil War to American covert operations during the Vietnam War Carson presents new insights about some of the most influential conflicts of the twentieth century Parting the curtain on the secret side of modern war *Secret Wars* provides important lessons about how rival state powers collude and compete and the ways in which they avoid outright military confrontations

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 2: Khayyami Millennium Mohammad H. Tamdgidi, 2021-06-01 Omar Khayyam's *Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination* is a twelve book series of which this book is the second volume subtitled *Khayyami Millennium Reporting the Discovery and the Reconfirmation of the True Dates of Birth and Passing of Omar Khayyam AD 1021 1123* Each book is independently readable although it will be best understood as a part of the whole series In the overall series the transdisciplinary sociologist Mohammad H Tamdgidi shares the results of his decades long research on Omar Khayyam the enigmatic 11th 12th centuries Persian Muslim sage philosopher astronomer mathematician physician writer and poet from Neyshabour Iran whose life and works still remain behind a veil of deep mystery Tamdgidi's purpose has been to find definitive answers to the many puzzles still surrounding Khayyam especially regarding the existence nature and purpose of the *Robaiyat* in his life and works To explore the questions

posed he advances a new hermeneutic method of textual analysis informed by what he calls the quantum sociological imagination to gather and study all the attributed philosophical religious scientific and literary writings of Khayyam In this second book of the series Tamdgidi lays down an essential foundation for the series by revisiting the unresolved questions surrounding the dates of birth and passing of Omar Khayyam Critically reexamining the manner in which Omar Khayyam s birth horoscope as reported in Zahireddin Abolhassan Beyhaqi s Tatemmat Sewan al Hekmat Supplement to the Chest of Wisdom was used by Sw mi Govinda T rtha in his The Nectar of Grace Omar Khayyam s Life and Works 1941 to determine Khayyam s birth date Tamdgidi uncovers a number of serious internal inconsistencies and factual inaccuracies that prevented T rtha and since then other scholars more or less taking for granted his results from arriving at a reliable date for Khayyam s birth hurling Khayyami studies into decades of confusion regarding Khayyam s life and works Tamdgidi then shares in the book the detailed account of his own discovery of Khayyam s true date of birth for the first time a finding that eluded Khayyami studies for centuries and is bound to revolutionize the studies for decades to come Tamdgidi then turns his attention to the task of definitively establishing the true date of passing of Omar Khayyam Conducting an in depth superposed analysis of Beyhaqi s Tatemmat Sewan el Hekmat Supplement to the Chest of Wisdom Abdorrahman Khazeni s Mizan ol Hekmat Balance of Wisdom Nezami Arouzi s Chahar Maqaleh Four Discourses and Yar Ahmad Rashidi Tabrizi s Tarabkhaneh House of Joy amid other relevant texts he succeeds in firmly reconfirming and further discovering in a textually reliable way not only the year the season the month and the day but even the most likely time of day at which the poet mathematician astronomer and calender reformer died as a solar centenarian completing his 102nd solar year age Strange is that these discoveries are made just in time as we approach the first solar millennium of Omar Khayyam s birth date on June 10 1021 at sunrise of Neyshabour Iran and the ninth solar centennial of his passing on June 10 1123 on the eve also of his birthday closing the circle of his life s coming and going

to do that It is intended also for those readers interested in learning more about remote viewing or cryptocurrency For those interested primarily in the cryptos I reveal which coins and tokens are worthy of consideration and which should be avoided My raw remote viewing data reveals the future success or failure of the crypto targets All the cryptos I examine are pulled from a blind target pool I put together in late October 2020 from the top 190 as ranked by market cap Remote viewing is a learned skill based on a strict protocol that harnesses a fundamental human ability We have to different degrees an innate ESP ability we sometimes think of as intuition It is possible through training to control this ability in much the same way a martial artist trains their body to break through preconceived physical and mental barriers Remote Viewing utilizes a disciplined approach originally developed under the auspices of the Defense Intelligence Agency DIA and the Stanford Research Institute SRI in the 1970s _____ LATEST NEWS The Kiwi Joe Cryptocurrency Remote Viewed series is discussed on my new YT channel along with example sessions from the books To watch cut and paste the link below into your browser Or you can go direct to YouTube and enter The Kiwi Joe Project into the YT search box <https://youtu.be/PFnqkql9DV8>

_____ **Family Secrets** William A. Stricklin, 2018-10-30 Family Secrets By William Stricklin Family Secrets discloses the darkest secrets over a thousand years This nonfiction book is evidence that the writer s family may be firmly founded on the five strong pillars of murder betrayal greed lust and incest and has far more than its fair share of family secrets Research over half a century has created this book not to be put down a pregnant nun the secret library in the Strickland Manor where Catherine Parr Queen of England and Henry VIII s sixth wife locked prohibited books away from the castle in order to keep her head from being chopped off regicide of a boy king by his stepmother a hunting trip in which Stricklin s forebear puts a hunting javelin between the shoulder blades of his best friend then hastily married his gorgeous wife fourteen days later a m nage during a coronation dinner including a new bride and new mother in law abduction of Stricklin s two day old maternal great grandmother during a Comanche raid and the saga of her escape from slavery and the murder trial of Katie Stricklin who used arsenic to poison her family **‘SECRETS OF ENOCH’ INSIGHTS from the 2nd Book of Enoch** SN Strutt, 2024-06-21 SECRETS OF ENOCH INSIGHTS is a sequel to my first INSIGHTS books published in 2018 which was called ENOCH INSIGHTS and was based on the 1st Book of Enoch The Secrets of Enoch Insights is based on the 2nd Book of Enoch Both these books go together like hand and glove The 2 books complement each other as I am sure that Enoch himself originally intended My INSIGHTS books are designed to take the original text of the ancient Hebrew books and make them much easier to understand with definition of words There are many comments and commentaries along with cross bible verses You will find verses in this book showing what it also said in 1st Enoch when dealing with a similar topic I now have published 9 INSIGHTS books based on either ancient Hebrew books or Apocryphal books which were also originally written in Hebrew then translated into Greek around 100 300 BCE and then Latin then as in the case of this Slavonic translation finally into English There are many amazing things written by Enoch of old in this book There are

truths which expose the status quo of modern thinking This book describes PRE CREATION and how God allowed both the LIGHT and the DARKNESS for an important purpose This book also shows that the Holy Spirit is in fact female just like in the Book of Proverbs All ancient Hebrew books attest to the Holy Spirit being feminine **Omar Khayyam's Secret:**

Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 3: Khayyami Astronomy Mohammad H. Tamdgidi, 2021-06-01 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination is a twelve book series of which this book is the third volume subtitled Khayyami Astronomy How Omar Khayyam s Newly Discovered True Birth Date Horoscope Reveals the Origins of His Pen Name and Independently Confirms His Authorship of the Robaiyat Each book is independently readable although it will be best understood as a part of the whole series In the overall series the transdisciplinary sociologist Mohammad H Tamdgidi shares the results of his decades long research on Omar Khayyam the enigmatic 11th 12th centuries Persian Muslim sage philosopher astronomer mathematician physician writer and poet from Neyshabour Iran whose life and works still remain behind a veil of deep mystery Tamdgidi s purpose has been to find definitive answers to the many puzzles still surrounding Khayyam especially regarding the existence nature and purpose of the Robaiyat in his life and works To explore the questions posed he advances a new hermeneutic method of textual analysis informed by what he calls the quantum sociological imagination to gather and study all the attributed philosophical religious scientific and literary writings of Khayyam Omar Khayyam s true birth date horoscope as newly discovered in this series is comprised of a dazzling number of Air Triplicities sharing a vertex on a Sun Mercury Cazimi point on the same Ascendant degree 18 of Gemini Among other features his Venus Sextile with Moon also plays a lifelong secretly creative role to intentionally balance his chart These features would not have escaped the attention of Omar Khayyam a master astronomer and expert in matters astrological no matter how much he embraced doubted or rejected astrological interpretations In this third book of the series conducting an in depth hermeneutic analysis of Khayyam s horoscope Tamdgidi reports having discovered the origins of Khayyam s pen name in his horoscope The long held myth that Khayyam was a parental name even if true in no way takes away from the new finding it only adds to its intrigue Tamdgidi s hermeneutic analysis of Khayyam s horoscope in intersection with extant Khayyami Robaiyat also leads him to discover an entirely neglected signature quatrain that he proves could not be from anyone but Khayyam one that provides a reliably independent confirmation of his authorship of the Robaiyat He also shows how another neglected quatrain reporting its poet to have aged to a hundred is from Khayyam This means all the extant Khayyami quatrains are now in need of hermeneutic reevaluation Tamdgidi s further study of a sample of fifty Khayyami Robaiyat leads him to conclude that their poet definitively intended the poems to remain in veil that they were considered to be a collection of interrelated quatrains and not sporadic separate quatrains written marginally in pastime that they were meant to offer a life s intellectual journey as in a book of life that the poems critically nuanced engagement with astrology was not incidental but essential throughout the collection and that judging from the

signature quatrain discovered 1000 quatrains were intended to comprise the collection Oddly it appears that after all The Khayyam who stitched his tents of wisdom was a trope that had its origins in Omar Khayyam s horoscope heavens

The Secret Police and the Soviet System

Michael David-Fox, 2023-10-24 Even more than thirty years after the dissolution of the Soviet Union the role of the secret police in shaping culture and society in communist USSR has been difficult to study and defies our complete understanding In the last decade the opening of non Russian KGB archives notably in Ukraine after 2015 has allowed scholars to explore state security organizations in ways not previously possible Moving beyond well known cases of high profile espionage and repression this study is the first to showcase research from a wide range of secret police archives in former Soviet republics and the countries of the former Soviet bloc some of which are rapidly closing or becoming inaccessible once again Rather than focusing on Soviet leadership The Secret Police and the Soviet System integrates the secret police into studies of information technology economics art and ideology The result is a state of the art portrait of one of the world s most notorious institutions the legacies of which are directly relevant for understanding Vladimir Putin s Russia today
