Prayer Warrior Manual:

The Making of a Prayer Warrior Dr. Barbara L. Daubon, 2011-08-15 The Making of a Prayer Warrior was written in response to the many people who not only asked me for handouts at the end of a presentation at prayer conferences but also send me prayer requests from time to time The book aims to address the rudiments of prayer using the Bible as the main reference I tried to cover in simple basic terms enough information to take the baby Christian from a life of no prayer to being a mighty prayer warrior I have sought to address topics such as What is prayer Biblical examples of answered prayers personal preparation for prayer becoming a prayer warrior the prayer group types of prayers and how to get your prayers answered I have written from my own experience as a praying person and can say with much confidence that God is waiting on us to call unto Him He still stands on His word in 2 Chronicles 7 14 If my people which are called by My name shall humble themselves and pray and seek My face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land

Facts and Interpretation Charles Misori, 2023-06-12 Some people believe that there is a difference albeit inconsiderable between a Christian and a believer They argue that a Christian has not completely understood the valid valuable and invaluable role that the Holy Spirit plays in serving Christ They aver that a believer on the other hand is a Christian who has learned and developed a conviction born from experience that without a daily contact and yielding to the Holy Spirit could not be true to God let alone communicate with Him The question is are you willing hungry and determined to communicate with God on behalf of lost souls in ways that would enrich your participation and discipline your understanding about the great commission as a prayer warrior Prayer warriors are believers who have made a conscious effort to intercede for lost souls and to reach the world for Christ They believe and have this inveterate conviction that prayer undergirds witnessing and witnessing cultivates a culture of absolute and undeviating dependence on the Holy Spirit They also believe that the church exists to witness for Christ This book is about the Holy Spirit and His influence on all aspects of prayer That is why any church qua church that does not have a group of dedicated men and women whose avowed mission is to pray for souls prayer warriors is making itself irrelevant in preparing for the second return of Christ As you read whether it is the chapter on prayer and the knowledge of God prayer and the will of God prayer and praise prayer and faith prayer and witnessing prayer and the sovereignty of God or secret prayer you will discover as I did that the Holy Spirit stands ready to transform your own life because He that watereth shall himself be watered is an inflexible Biblical principle My hope is that the Holy Spirit will not only fight for His outcomes as you read and apply these principles in your own life but also leaven your conviction

Becoming a Prayer Warrior Elizabeth Alves,2003-03-05 What s the Secret of Prayer Prayer We all know it should be a bigger part of our life But few feel they have mastered prayer if that is possible and all of us feel we could benefit from clear practical guidance about how to pray with more power more passion and just to pray more To help everyone from beginner to seasoned intercessor Becoming a Prayer Warrior provides a complete guide to the essentials of powerful prayer From the basics to inspiring stories of world changing prayer Elizabeth Alves guides you in a fresh look at the incredible mystery of prayer and the benefits that prayer can bring Move beyond the idea of prayer as a ritual or duty and learn how to truly communicate with God and experience His power and joy as never before Warriors for Christ , BECOMING A PRAYER-WARRIOR GODSWORD GODSWILL ONU,2015-03-05 Going through Becoming a Prayer warrior you will come to understand that whatever things you ask in the Name of Jesus Christ when you pray believing that you receive them you will have them And whoever says to this mountain Be removed and be cast into the sea and does not doubt but believes that those things he says will be done he will have whatever he says The confidence that we have in God is that when we pray according to His Will He hears us because we always do those things that please Him Preaching to Convert John Fletcher,2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U S evangelicals Author John Fletcher frames these activities from door to door proselytizing to the spirited sermons of superstar televangelists as examples of activist performance broadly defined here as acts performed before an audience in the hopes of changing hearts and minds Most writing about activist performance has focused on left progressive causes events and actors and if evangelicals have appeared at all they often appear as one dimensional forces of ignorance or bigotry against which brave left leaning activists must fight Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U S evangelicalism as a movement defined by its desire to win converts and spread the gospel In other words evangelicals are activist performers par excellence The book positions evangelicals as a diverse complicated

group confronting the loss of conservative Christianity's default status in twenty first century U S culture In the face of an increasingly secular age evangelicals have been reassessing models of outreach In acts like handing out Bible tracts to strangers on the street or going door to door with a Bible in hand in elaborately staged horror themed morality plays or multi million dollar creationist discovery centers in megachurch services beamed to dozens of satellite campuses and in controversial ex gay ministries striving to return gays and lesbians to the straight and narrow evangelicals are redefining what it means to be deeply committed in a pluralist world The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields
