The Immortals - Books 1-3 Monica La Porta, 2020-08-22 The Chains of Love are stronger than the Bonds of Revenge Long after the gladiators fought in the Coliseum ancient evils wander the streets of Rome Only a few heroes have the power to stop them Among them a group of friends whose fate and the gods whims have united in immortality Follow Marcus Alexander and Samuel as they battle their inner demons and try to save the world and their loved ones at the same time The Lost Centurion The chains of Love are stronger than the bonds of Revenge The Roman centurion Marcus has sworn to avenge his wife's death even if it takes an eternity to hunt down the vampire who murdered her Turned immortal by a capricious god for the last two thousand years Marcus has been living a life devoid of love consumed by his hatred for the vampire race Until the night he rescues one of them a frail newborn vampling Diana and she becomes his responsibility Tortured by his past and hunted by vampires Marcus must choose between avenging his dead wife or saving Diana from the same man who ruined his life only to discover that not everything is what it appears to be The Immortal Greek Alexander Drako handsome famous rich and on the cover of every tabloid in Europe He has done it all and seen it all Born a Greek in the times of the Roman Empire he was chosen by a capricious goddess as one of her immortal followers With his surfer good looks and a playboy disposition Alexander has been living the life every man dreams of at least for the last two thousand years Tall elegant and unapproachable Ravenna Del Sarto is the perfect example of a modern career woman An enforcer for the Immortal Council she brings the bad guys of the paranormal world to justice She doesn't have time for fun and has zero tolerance for playboys During the highly anticipated End of Summer party a young immortal commits suicide by jumping from Alexander's balcony and Ravenna is called to investigate the death Alexander quickly learns that not only Ravenna's walls are impenetrable to his easy smile but she is also bringing him up on charges Will she detain him Or will his legendary charms help him out of this one The Broken Angel Betrayed by the man he loved and stranded on Earth after losing his powers Samuel is alone and broken His black angel's wings maimed and useless he must go on living despite the searing pain in his heart Unable to find peace on his own but trying to restore it among the multitude of races composing the paranormal world Samuel works at the Immortal Council headquarters in Rome as a liaison between species As the only fallen angel on Earth and despised by his former brethren Samuel doesn't belong anywhere The only place where he feels at home is the gym owned by his friend Alexander Drako Even though among the humans he must hide his true form and appear as a cripple Samuel cherishes the hours spent in the old gymnasium sparring away his troubles Martina's life has been transformed from fairy tale to nightmare by her abusive and rich husband A pro bono lawyer for women in need she can't seem to find a way to help herself Afraid of Martina's ex husband's powerful family the authorities deny her justice and even her friends and family have deserted her She is all alone in the world and solely dedicated to her job Martina's only break from her dreary reality is when she trains at Drako's gym One day Drako asks her to spar with one of his friends and she meets Samuel a defenseless cripple

who inspires Martina to protect him from the ugliness of the world A friendship blossoms between two broken souls But fate doesn't seem to smile on them Coming from two different worlds Samuel and Martina will soon have to fight both paranormals and humans for their right to be together
