

A very good morning (F1) to our beloved principal, Tn Hj Aaron, teachers and friends. On this glorious morning, I, Isabella (F2) the recipient of this year's "Best Student Award" am going to give a talk on "How to Become a Successful Student". (F2) In my speech, I am going to share with you some tips on how you can be a successful student.

First and foremost, if you want to be a successful student, you must set goals (C1). Research shows that people who set goals accomplish more than those who do not. In deciding your goals, ask yourself "What do I want to be?" and "What do I do to get there?". Besides, you must always be motivated (C2). When you are motivated you will have a strong desire to do well and to achieve your goals. In addition, you must pay attention in class (C3). Listen actively and focus on what the teacher is teaching. If you have disruptive classmates, sit in front of the classroom, away from them. Always ask questions if you do not understand (C4). Seek clarifications from your teachers or your friends if you are shy to approach the former.

Another important tip to being a successful student is to be organized (C5). You can use a planner or notebook to write down all your assignments when they are given. This way you will not forget your homework, dates of tests or projects. Remember, if you are organised you will be well-prepared and you will have less stress. Moreover, you must complete your homework on time (C6). Homework helps reinforce what you have learnt. It helps you understand and remember the information. In addition, you must prepare well for exams (C7). A successful student is one who prepares for exams well in advance, and not at the *eleventh hour*. If you study consistently, you will have ample time for revision.

Friends, to be a successful student you must have diverse interests. You should take part in co-curricular activities in order to become a well-rounded person (C8). These activities help develop leadership skills and teamwork besides instilling values like cooperation and tolerance. Discipline is an important aspect of our lives. Hence, it is crucial that you
