Traditional Schedule – 36 Weeks

- Grade Level – 6

## Introduction:

Ashe County Schools is in the process of developing Pacing Guides and Units of Study aligned to the [English Language Arts Common Core State Standards](#). The Pacing Guides and Units of Study are designed to offer teachers a focused context of student performance outcomes, instructional experiences defined by the adopted curriculum, and support resources to meet those objectives.

Ashe County teachers elected to use the [Common Core Curriculum Maps](#) as a framework for teaching the English Language Arts Common Core State Standards. The timeline of the Units of Study are stated in terms of blocks of time rather than a mandatory sequence and allows for flexibility in planning based on student need. The expectation is that students master the content defined by the standards and performance objectives in all of the Units of Study by the completion of the school year.
